## **Peace After Abortion:**

Peace After Abortion Ava Torre-Bueno, 1997-01-01      Pro-Life Answers to Pro-Choice Arguments Randy

Alcorn, 2009-01-21 As politicians, citizens, and families continue the raging national debate on whether it's proper to end human life in the womb, resources like Randy Alcorn's *Pro-life Answers to Pro-choice Arguments* have proven invaluable. With over 75,000 copies in print, this revised and updated guide offers timely information and inspiration from a sanctity-of-life perspective. Real answers to real questions about abortion appear in logical and concise form. The final chapter, *Fifty Ways to Help Unborn Babies and Their Mothers*, is worth the price of this book alone.      **Catholic Bioethics for a New Millennium**

Anthony Fisher, 2011-11-17 Can the Hippocratic and Judeo-Christian traditions be synthesized with contemporary thought about practical reason, virtue, and community to provide real-life answers to the dilemmas of healthcare today? Bishop Anthony Fisher discusses conscience, relationships, and law in relation to the modern-day controversies surrounding stem cell research, abortion, transplants, artificial feeding, and euthanasia, using case studies to offer insight and illumination. What emerges is a reason-based bioethics for the twenty-first century: a bioethics that treats faith and reason with equal seriousness, that shows the relevance of ancient wisdom to the complexities of modern healthcare scenarios, and that offers new suggestions for social policy and regulation. Philosophical argument is complemented by Catholic theology and analysis of social and biomedical trends to make this an auspicious example of a new generation of Catholic bioethical writing, which has relevance for people of all faiths and none.      **Church without walls**

Vincent Froom, 2024-11-28 Christian God's Omnipresence delves into one of the most profound attributes of God: the divine presence that permeates all of creation. Drawing from biblical texts, theological insights, and personal reflections, this book explores what it means to worship a God who is everywhere—from the deepest valleys to the highest mountains and from church pews to unexpected corners of the world. Vincent unpacks the implications of God's omnipresence not just as a theological concept but as a transformative reality that shapes how Christians live, pray, and engage with others. Through compelling stories, real-life examples, and practical applications, readers are invited to experience a more intimate and expansive relationship with God, one that transcends physical locations and defies the limitations of human understanding. Whether you're a seeker, a new believer, or a lifelong follower of Christ, Christian God's Omnipresence offers fresh perspectives and profound truths that can deepen your faith and enhance your spiritual journey.      Unplanned Grace

Brittany Smith, Natasha Smith, 2021-09-01 When a woman receives an unexpected positive pregnancy test, abortion often seems like the best or only option for a fulfilling future. *Unplanned Grace* beautifully challenges that myth, equipping readers to support abortion-vulnerable women with love that values life in every way. Writing for the nonprofit organization *Save the Storks*, Natasha and Brittany draw on personal interviews, inspiring stories, and eye-opening facts to help readers understand how economics, relationships, and health affect a woman's pregnancy decision. The value of having empathy for women facing unplanned pregnancies: The enormous potential churches have to support women
