culture in Muslim societies **Koh-i-Noor** William Dalrymple,Anita Anand,2017-09-12 From the internationally acclaimed
and bestselling historians William Dalrymple and Anita Anand the first comprehensive and authoritative history of the Koh i
Noor diamond arguably the most celebrated jewel in the world On March 29 1849 the ten year old leader of the Sikh
kingdom of the Punjab was ushered into the magnificent Mirrored Hall at the center of the British fort in Lahore India There
in a formal Act of Submission the frightened but dignified child handed over to the British East India Company swathes of the
richest land in India and the single most valuable object in the subcontinent the celebrated Koh i Noor diamond otherwise
known as the Mountain of Light To celebrate the acquisition the British East India Company commissioned a history of the
diamond woven together from the gossip of the Delhi Bazaars From that moment forward the Koh i Noor became the most
famous and mythological diamond in history with thousands of people coming to see it at the 1851 Great Exhibition and still
more thousands repeating the largely fictitious account of its passage through history Using original eyewitness accounts and
chronicles never before translated into English Dalrymple and Anand trace the true history of the diamond and disperse the
myths and fantastic tales that have long surrounded this awe inspiring jewel The resulting history of south and central Asia
tells a true tale of greed conquest murder torture colonialism and appropriation that shaped a continent and the Koh i Noor
