Pebbles In My Hand:

Anytime, Anywhere, Learning Mathematics through Talk and Play (A Short Guidebook) Helen Bradford, Ph.D., Penny Coltman, MEd. Res. (Cantab), 2022-11-07 The motivation for writing this short guidebook is to help refugee families in Ukraine to keep their children learning mathematics with fun during this very distressful time in their lives CAMathories Education Team consists of renowned Cambridge early years learning specialists in mathematic and literacy We intend to provide handy and useful guidelines for learning mathematics and language to the refugee parents and those in a dire situation to do some educational yet entertaining activities together with their children with limited time and minimal resources readily available to them Education can be fun and easy anytime anywhere if we know how This guidebook is designed to be brief to fit the exceptional circumstances of refugee parents or alike Yet anyone who is short of time and teaching resources is also welcome to download this guidebook for free *The Materiality of Stone* Christopher Tilley, 2020-06-03 With Wayne Bennett From the silky wax qualities of the surfaces of some quartz menhirs to the wood grain textures of others to the golden honeycombed limestones of Malta to the icy frozen waves of the Cambrian sandstone of south east Sweden this book investigates the sensuous material qualities of stone Tactile sensations sonorous qualities colour and visual impressions are all shown to play a vital part in our understanding of the power and significance of prehistoric monuments in relation to their landscapes In *The Materiality of Stone* Christopher Tilley presents a radically new way of analyzing the significance of both cultural and natural stone in prehistoric European landscapes Tilley s groundbreaking approach is to interpret human experience in a multidimensional and sensuous human way rather than through an abstract analytical gaze The studies range widely from the menhirs of prehistoric Brittany to Maltese Neolithic temples to Bronze Age rock carvings and cairns in southern Sweden Tilley leaves no stone unturned as he also considers how the internal spaces and landscape settings are interpreted in relation to artifacts substances and related places that were deeply meaningful to the people who inhabited them and remain no less evocative today In its innovative approach to understanding human experience through the tangible rocks and stone of our past *The Materiality of Stone* is both a major theoretical and substantive contribution to the field of material culture studies and the study of European prehistory **Lectures on the Pentateuch and the Moabite stone** John William Colenso, 1873 These lectures are intended to lay before English readers who cannot devote the time and thought needed for the study of larger and more technical works the most important results of the criticism of the Pentateuch and incidentally of other portions of the Hebrew scriptures Preface **Human Rights in Postcolonial India** Om Prakash Dwivedi, V. G. Julie Rajan, 2016-02-26 This volume looks at human rights in independent India through frameworks comparable to those in other postcolonial nations in the Global South It examines wide ranging issues that require immediate attention such as those related to disability violence torture education LGBT neoliberalism and social justice The essays presented here explore the discourse surrounding human rights and engage with aspects linked to

the functioning of democracy security and strategic matters and terrorism especially post 9 11 They also discuss cases connected with human rights violations in India and underline the need for a transparent approach and a more comprehensive perspective of India s human rights record Part of the series Ethics Human Rights and Global Political Thought the volume will be an important resource for academics policy makers civil society organisations lawyers and those concerned with human rights It will also be useful to scholars and researchers of Indian politics law and sociology
