Peculiar Occupation New Perspectives On Hitler's Channel Islands:

A Peculiar Occupation Peter Tabb, 2005 In *A Peculiar Occupation New Perspectives on Hitler's Channel Islands* author Peter Tabb himself a native of the Channel Islands provides a fresh look at the German Occupation of the Islands Setting the scene of the long history of the Channel Islands as Peculiars of the English Crown he narrates the story of the four and a half years of the German Occupation in which the islanders would suffer deportation deprivation epidemics imprisonment and ultimately near starvation **BOOK JACKET**

Islands and Britishness Jodie Matthews, 2011-11-15 Islands and archipelagos hold great imaginative power and they have long been a subject of study for cartographers and geographers for anthropologists and historians of colonisation But what does it mean to be an islander Can one feel both British and Manx for example What are British tourists looking for when they go to former island colonies How do past relationships with Britain affect islands today This collection takes a variety of perspectives to provide answers to such questions examining war empire tourism immigration language literature and everyday life on and in islands and the question of travel to and from them Britishness is highlighted as a global island phenomenon providing an insight into the history culture and politics of identities from Jersey to Jamaica Islands and Britishness not only brings together various contemporary strands in Island Studies but uniquely focuses on the relationship historical cultural and economic between particular islands and Britain and crucially how this relationship frames national identity both on the island and in Britain itself The collection examines interactions between Britishness and indigenous or earlier invasive settler cultures as well as the internal differences within the concept of Britishness Britain Scotland Shetland for instance It considers the relationship played out on the island between Britishness and the other nationalities with which the islands share an affinity and questions received wisdoms about national identity on the islands by considering intersecting discourses such as class and gender The collection offers a global perspective on the divisions within a notion of Britishness and the identities against which Britishness has been constructed

Das Wurzacher Schloss 1940 bis 1945 Gisela Rothenhäusler, 2008 **Paper Bullets** Jeffrey H. Jackson, 2020-11-10 A Nazi resistance story like none you've ever heard or read Hampton Sides author of *Ghost Soldiers* and *On Desperate Ground* Every page is gripping and the amount of new research is nothing short of mind boggling A brilliant book for the ages Douglas Brinkley author of *American Moonshot* A Stonewall Honor Book in Nonfiction Longlisted for the Carnegie Medal for Excellence in Nonfiction *Paper Bullets* is the first book to tell the history of an audacious anti Nazi campaign undertaken by an unlikely pair two French women Lucy Schwob and Suzanne Malherbe who drew on their skills as Parisian avant garde artists to write and distribute paper bullets wicked insults against Hitler calls to rebel and subversive fictional dialogues designed to demoralize Nazi troops occupying their adopted home on the British Channel Island of Jersey Devising their own PSYOPS campaign they slipped their notes into soldier's pockets or tucked them inside newsstand magazines Hunted by the secret field police Lucy and Suzanne were finally betrayed in 1944 when the Germans imprisoned

them and tried them in a court martial sentencing them to death for their actions Ultimately they survived but even in jail they continued to fight the Nazis by reaching out to other prisoners and spreading a message of hope Better remembered today by their artist names Claude Cahun and Marcel Moore the couple's actions were even more courageous because of who they were lesbian partners known for cross dressing and creating the kind of gender bending work that the Nazis would come to call degenerate art In addition Lucy was half Jewish and they had communist affiliations in Paris where they attended political rallies with Surrealists and socialized with artists like Gertrude Stein Paper Bullets is a compelling World War II story that has not been told before about the galvanizing power of art and of resistance **Channel Islands at War** George Forty,2005 Drawing upon first hand reminiscences and a superb collection of historic photographs from a wide variety of sources including private collections the book details the history of wartime years then brings it up to date with a succinct survey of the surviving relics of the Nazi occupation which can still be seen today Channel Islands at War originally published in hardback in 1999 and now reprinted in paperback to coincide with the 60th anniversary of the Islands liberation in 1945 presents a graphic portrait of this fascinating aspect of recent British history It will undoubtedly be of considerable interest to all those who study World War 2 in general and Northwest Europe in detail and also be of particular interest to those who specialise in the employment of the armed forces of Nazi Germany in a very different environment to that of the usual World War 2 battlefields BOOK JACKET Report and Transactions Société guernesiaise,2006 List of members in each number *The Railway Magazine* ,2005-01 **Annales de Normandie** ,2009 *American Book Publishing Record* ,2005 *The British National Bibliography* Arthur James Wells,2005 **Bowker's Complete Video Directory 2001** ,2001 Bookseller and the Stationery Trades' Journal ,1975 Historical Abstracts ,1999 New York Times Saturday Review of Books and Art ,1956 **Library Journal** ,1967 *History of the Second World War* ,1969 **The Illustrated London News** ,1960 Saturday Review ,1956-07 The Listener ,1954 Listener and BBC Television Review ,1954
