**My Life and the Beautiful Game** Pelé, Robert L. Fish, 1977 The autobiography of Pele the great international soccer star Pelé : My Life and the Beautiful Game Pelé, 1977 **Pele** Pele, 1977 *My Life and the Beautiful Game* Pele, Robert L. Fish, 2007-11-17 While kicking a ball through the dusty streets of his Brazilian hometown young Edson Arantes do Nascimento was given the nickname Pel so casually that no one remembers its meaning Today the name is famous worldwide as belonging to history's greatest soccer player Here in Pel's own words is his incredible life story his five goals in the last two games of the 1958 World Cup at the tender age of 17 his glory years with his Brazilian club FC Santos his role in four World Cup tournaments his comeback as a member of the storied New York Cosmos and his lifelong role as goodwill ambassador for the world's favorite sport Skyhorse Publishing along with our Arcade Good Books Sports Publishing and Yucca imprints is proud to publish a broad range of biographies autobiographies and memoirs Our list includes biographies on well known historical figures like Benjamin Franklin Nelson Mandela and Alexander Graham Bell as well as villains from history such as Heinrich Himmler John Wayne Gacy and O J Simpson We have also published survivor stories of World War II memoirs about overcoming adversity first hand tales of adventure and much more While not every title we publish becomes a New York Times bestseller or a national bestseller we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home Pelé Dax Riner, 2010-08-01 Think you know all there is to know about Pel Well did you know that Pel played in his first World Cup tournament at the age of seventeen Did you know that in 1967 both sides in Nigeria's civil war called a 48 hour cease fire so Pel could play an exhibition match in the capital of Lagos Did you know that Pel has scored more than 1 200 goals in his professional career Born into poverty in Tr's Cora'es Brazil Edson Arantes do Nascimento aka Pel fell in love with soccer at a young age When he was ten Pel and some friends started a soccer team A year later a coach took notice of his talent and began to train him By the time he was just fifteen Pel had joined a professional team This was the beginning of a long career in which Pel led Brazil to victory in three World Cup tournaments Pel became an international celebrity whose name was synonymous with soccer His fame allowed him to raise awareness of his beloved game around the world **Pele** Doubleday Canada, Limited, Knopf Doubleday Publishing Group, Pele, 1993-05-01 **The Power and the Glory** Jonathan Wilson, 2025-09-04 A master at telling football's greatest ever stories Breathtaking Wilson's eye for detail and his elegant writing brings the World Cup to life like no other book on the topic I have ever read ELIS JAMES Epic in scope awesomely rich in detail and compulsively entertaining TOM HOLLAND So much of what we know of football's history we know thanks to Wilson SIMON KUPER The football World Cup is the most watched sporting event on the planet It has become a global obsession 211 nations initially entered the 2022 edition It has been running for almost a century Yet there is no comprehensive history of the tournament based on fresh interviews and meticulously researched this book will change that By 1930 football had outgrown the Olympic Games A new competition run

by Fifa would take international football to the next level After a shambolic start to the first cup in Uruguay an incomplete stadium shoddy refereeing and physios accidentally injuring players the thrilling final saw Uruguay take on Argentina beating them 4 2 From those chaotic beginnings grew the modern World Cup a cultural phenomenon that draws the world together like nothing else and that gives it a profound importance Ask a random person on a random street to name a moment in the history of Senegal and they may well say Pape Bouba Diop s winner against France in the 2002 World Cup a goal not only against the defending champions but against the former colonial masters The World Cup has political significance West Germany s success in 1954 was a moment of reintegration into global society Progress to the semi finals in 1998 gave a huge boost to Croatia s sense of national self But football is an unpredictable sport In the so called Soccer War of 1969 tensions between El Salvador and Honduras were ignited by a World Cup qualifier More recently the focus for governments seeking to political gain has been hosting the tournament with the World Cups in Russia and Qatar clear examples of sportswashing staging a tournament to project an image of a thriving society There has never been a comprehensive history of the World Cup that has considered not only the matches and goals the players and coaches the tales of scandal and genius the haggling and skulduggery of the bidding process but has also placed the tournaments within a socio political framework The story of the World Cup is also the story of the world this book tells its definitive history
