Prayer Voices:

The Voices Warren Sumner Barlow, 1874 **Praying the Psalms in the Voice of Christ** Frank J. Matera, 2023-01-15 In *Praying the Psalms in the Voice of Christ* Frank J. Matera offers a way to pray the psalms within the Liturgy of the Hours rooted in the New Testament and the great writers of the early church Taking his cue from Saint Augustine Matera demonstrates how to hear the voice of Christ in the psalms so that they can be prayed in the voice of Christ and his Body the church In addition to this introduction to a christological reading of the psalms Matera also provides a commentary on the psalms as they occur in the four weeks of the Divine Office **Israeli Feminism Liberating Judaism** Bonna Devora Haberman, 2012-07-16 This engaging feminist approach to Judaism blends the interpretation of primary Jewish sources with contemporary social change Bonna Devora Haberman shares her first hand account of the Women of the Wall and a feminist approach to traditional Judaism while interacting with ancient Jewish texts In a rich network of sources seaming together scholarship with activism Haberman analyzes the sacred with attention to power and gender While much religious and national culture focuses on death and sacrifice Haberman proposes an alternative model for a Jewish theology of liberation birth no less universal than death Life giving rather than life taking is the nucleus of this work reformulating performances of gender in a realm of exaggerated sexual difference Using her experiences with the Women of the Wall movement interwoven in scripture Haberman contributes toward liberating religious culture from its gender oppressions and rendering religion a liberating force in society **Like a Child** Rev. Timothy J. Mooney, 2014-05-30 By breaking free from our misperceptions about what it means to be an adult we can reshape our world and become harbingers of grace In our desire to grow up mature become adults we become enamored with who we are supposed to be When we have finally grown up we realize much of who we really are has been left behind or buried under various masks and roles we play But the knowledge of who we truly are never leaves us To reclaim our selfhood we must grow up again and consciously embrace all that it means to be childlike from Chapter 12 *It Takes a Long Time to Become Young* By restoring the childlike ways of humility trust awe wonder playfulness and more we can recover a fuller picture of what it means to be human This unique spiritual resource explores what Jesus may have meant when he said Unless you change and become like children you will never enter the kingdom of heaven It addresses our modern misperceptions regarding the nature of maturity and the common coping mechanisms distrust guardedness insecurity judgmental thinking we acquire and feel we require in adulthood Along with the wisdom of ancient and modern spiritual luminaries this book provides over twenty five spiritual practices to help us cultivate the childlike ways of attention self awareness joy and resilience in our inner lives as well as in our relationships with others *Soul Fire* Thomas Ryan, 2008 This inspiring guide shows you how to cultivate your creative spirit particularly in the second half of life as a way to encourage personal growth enrich your spiritual life and deepen your communion with God **The Encyclopedia of Christian Literature** George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is
