Sheen, Norman Vincent Peale, and Billy Graham in the Age of Extremes** Timothy H. Sherwood,2013-08-15 Fulton J Sheen Norman Vincent Peale and Billy Graham were America s most popular religious leaders during the mid twentieth century period known as the golden years of the Age of Extremes It was part of an era that encompassed polemic contrasts of good and evil on the world stage in political philosophies and international relations The 1950s and early 1960s in particular were years of high anxiety competing ideologies and hero villain mania in America Sheen was the voice of reason who spoke against those conflicting ideologies which were hostile to religious faith and democracy Peale preached the gospel of reassurance self assurance and success despite ominous global threats and Graham was the heroic model of faith whose message of conversion provided Americans

an identity and direction opposite to atheistic communism This study looks at how and why their rhetorical leadership both separately and together contributed to the climate of an extreme era and influenced a national religious revival *The Source of Life* Jürgen Moltmann,1997-07-01 Beginning with his experiences as a prisoner of war Moltmann anchors his reflections in a theology of life and the Spirit as elemental renewer of life which links biblical manifestations to contemporary ones hope to holiness creation to community and politics to prayer In the Spirit we embrace the presence of God but we also embrace community with people and all living things **Teaching Anticommunism** Hubert Villeneuve,2020-04-16 Fred C Schwarz 1913 2009 was an Australian born medical doctor and evangelical preacher who settled in the United States in the early 1950s where he founded the Christian Anti Communism Crusade His work as an anticommunist educator spanned five decades his campaigns attracted large crowds strengthened grassroots conservatism and influenced political leaders By the late 1950s the Crusade had become one of the most important conservative organizations in America turning numerous citizens into lifelong right wing militants In Teaching Anticommunism Hubert Villeneuve sheds light on Schwarz s fascinating career and organization which left a distinct mark on the United States and was also active internationally Cold War anticommunism in the US consisted of more than the House Un American Activities Committee and the campaign led by Senator Joseph McCarthy Villeneuve shows that by the early 1960s Schwarz s Crusade was an integral part of a burgeoning American anticommunist subculture that united grassroots conservatives of all stripes Its influence continued paving the way for the development of the New Right that began in the 1970s In addition to exploring the life and work of Schwarz the book highlights the transnational dimension of US conservatism by outlining the Crusade s role in worldwide anticommunist networks that operated throughout the Cold War Packed with unnerving evidence but leavened with humorous anecdotes and insights into a mercurial figure Teaching Anticommunism provides a unique perspective on the evolution of the contemporary American right wing and its global connections Possibilities ,1993 What Inspirational Literature Do I Read Next? Pamela Willwerth Aue, Henry L. Carrigan (Jr),1999-08-31 Religiously inspired novels inspirational writings and biographical works on people who are models for spiritual growth are among the recommendations found in this reference

In Search of Self, in the Service of Others Heinz Hartmann,1998 The life of Holocaust survivor Dr Heinz Hartmann is a fascinating one indeed from escaping Hitler s concentration camps as a young man to making house calls as a general practitioner in America As chronicled in his compelling 1986 autobiography Once a Doctor Always a Doctor The Memories of a German Jewish Immigrant Physician Hartmann completed his medical studies in the 1930s when the Nazis were in power Just two weeks after his wedding to the beautiful Herta a young nurse Hartmann and scores of other Jewish men were taken by the Nazis to Buchenwald It was these horrifying experiences that he drew upon when interviewed by Steven Spielberg s Shoah Foundation in its research for the movie Schindler s List as well as for libraries internationally In this touching new book In Search of Self In the Service of Others Hartmann recounts his and Herta s escape from Nazi Germany their loving

relationship and her fatal struggle with pancreatic cancer He also examines the many years of love and caregiving he devoted to his physically and mentally retarded son Michael who was born healthy but experienced a crippling reaction to a vaccination at only five and a half months of age This enlightening and tremendously personal memoir also offers the doctor's thoughts on the future of medicine what it means to be Jewish in modern society and special thoughts about the people who have influenced his life      **And Man Created God** Chandler Smith,2000-07 Cites the advantages of Secular Humanism over faith based religions for bringing about a moral spirituality by examining the history and role of religion in society and the direction necessary for a moral civilization      *American Book Publishing Record* ,2005      **A Match Made in Heaven** Susan Wales,Ann Platz,1999-01-29 Sometimes a lost love is found years later and other times divine intervention is the only explanation for A Match made In Heaven Then as now we find ourselves in a world where news of the spectacular and the sensational often overshadows the small but special moments of greatness of extraordinary acts by ordinary men and women Such is the story of a German war bride and an American soldier or an 85 year old doctor who thought she was only wedded to her work or a widow with three children and very little money or a workaholic who couldn't find love right under his nose read on and learn to believe again that life is full exhilarating and love is all around us      *The Cumulative Book Index* ,1996 A world list of books in the English language      **Africa** Charles Taku,1999      **Book Review Digest** ,1997      Subject Guide to Books in Print ,1997      **The New York Times Book Review** ,1995-09
