The Prayer of Jesus Robert M. Solomon,2009

The Complete Guide to the Prayers of Jesus Janet Holm McHenry,2018-06-05 The Only Comprehensive Guide to the Prayer Life of Jesus Prayer was essential to Jesus Yet many Christians only know the Lord s Prayer unaware of the rich fertile prayer life he had while on earth With warmth and keen insight Janet Holm McHenry takes you on an engaging vivid journey through the 14 recorded prayers Jesus prayed as well as his teachings on prayer and his prayer practices No matter our backgrounds or ideas about how when and why we should talk to God we can learn from Jesus s simple vulnerable examples This unique comprehensive guide to the prayer life of Jesus provides background context and a detailed look at each one of the prayers of Jesus along with reflection questions and Scripture based prayers As we follow his example and take our problems to him we will like him grow closer to the Father and find strength for our everyday challenges

The Prayer of Jesus Thomas Corbishley,1977 Turns to our model in all things Jesus Christ to seek the truth of prayer After a general discussion of the individual s relationship to prayer the book traces the spiritual development of Jesus as shown in the New Testament and presents a line by line study of all his prayers The result is an easily understandable yet deeply enriching book for all who follow Christ and

long for the oneness of God which can be felt in the fulfillment of prayers **The Jesus Prayer** Lev Gillet, Kallistos (Bishop of Diokleia), 1987 To pronounce the name of Jesus in a holy way is an all sufficient and surpassing aim for any human life We are to call to mind Jesus Christ as until the name of the Lord penetrates our heart descends to its very depths The Name of Jesus once it has become the center of our life brings everything together So writes the Monk of the Eastern Church in the course of the present work To those who wonder how such claims can be advanced on behalf of the Jesus Prayer and how it is that this particular way of praying continues to appeal so powerfully to contemporary Christians Eastern and Western Orthodox and non Orthodox this short book provides an answer Starting with the veneration of the Holy Name in the Old and the New Testament the author traces the gradual development of the Jesus Prayer first in Byzantium and then in the Slav lands He concludes with practical suggestions for its use today showing how it is a prayer not only of the past but equally for the twentieth century Indeed there are good reasons to believe that the way of the name as he calls it is being followed by more Christians in our own day than ever before a striking sign of hope in an age of anxiety Simple yet profound this book reveals to us the secret of the continuing attraction exercised by the Jesus Prayer Since its first appearance some thirty five years ago it has become a minor classic of the spiritual life and it still remains the best introduction to the subject **Pray Like Jesus** Robert L. Morris Jr., 2019-07-17 What do all Christians talk about and do very little of Pray Yes prayer is the most talked about subject in Christendom but very few people regularly do it For most it is because no one has ever taught them Only six of Jesus's prayers are recorded in scripture Is that an accident Or could these six prayers teach us how to grow our prayer life deeper and wider than ever before Pray like Jesus is intended to be a simple spiritual how to manual for those who do not have a vital prayer life but seek one It is not intended to be an academic book as much as it is an epistle from a fellow believer who may have learned a few things in forty one years of ministry Author Robert L Morris Jr invites you to join him and look at six prayers of Jesus but you will intentionally not examine the Lord's Prayer in depth The reason is simple the Lord's Prayer contains valuable information on how disciples should pray but this book is about how Jesus personally prayed Pray like Jesus is not the destination but a directional sign Jesus and no other is the destination If you have longed for a prayer life that was more than treating God like a benevolent genie who granted wishes to those he favored then read on to see how prayer is so much more than that **Praying Jesus' Way** Curtis C. Mitchell, 1991 *Pray Like Jesus* John R. Brokhoff, 1994 Is it humanly possible to pray like Jesus Since God knows what we need even before we pray why bother to pray To what extent does one's relationship with God affect one's prayers With questions like these John Brokhoff takes you on a 13 chapter journey of prayer in Pray Like Jesus This book will help develop more effective prayer for persons and groups It examines and studies the nature of Jesus prayers It examines methods and techniques Jesus used It explores a theology of prayer and a study of prayers in the Bible which culminates with a study of the Lord's Prayer This book is ideal for personal use group study or a sermon series Each chapter concludes with a series of discussion questions Chapter titles include The

Contents of Prayer The Variety of Prayer Prayer and Healing The Power of Prayer John R Brokhoff is former Professor of Homiletics Candler School of Theology Emory University He is a graduate of Muhlenberg College and the Lutheran Theological Seminary at Philadelphia His other popular CSS titles include Lectionary Preaching Workbook A B and C Preaching The Parables A B and C and Preaching The Miracles A B and C The Jesus Prayer for Today Arthur A. Vogel,1982 **On the Prayer of Jesus** Ignatius Brianchaninov,2006-06-20 On the Prayer of Jesus examines the transformative power of the Jesus Prayer within Eastern Orthodox Christianity Lord Jesus Christ have mercy upon me Through the classic translation by Father Lazarus Bishop Ignatius Brianchaninov presents the Jesus Prayer as a vital Christian practice for deepening one s spiritual life Through historical context and rich theological insight Brianchaninov highlights the prayer s ability to foster a profound connection with the divine emphasizing its accessibility to all believers regardless of their spiritual maturity Readers will discover the enduring significance of humility perseverance and spiritual guidance in the practice of the Jesus Prayer Brianchaninov provides practical advice for integrating this sacred invocation into daily life offering a path toward inner peace and divine communion and addressing how to get started approach difficulties and communicate with friends and family who are unfamiliar with it This compelling analysis serves as both a spiritual guide and a historical account and its blend of historical narrative theological reflection and practical guidance offers a unique perspective that encourages readers to embrace the transformative potential of the Jesus Prayer Breath of Christ, The Dinh, Hoa Trung, SJ,2025 This formulation of the Jesus Prayer is based on Matthew 15 25 the plea of the Canaanite woman who knelt before Jesus and pleaded on behalf of her afflicted daughter Lord help me Because of its simplicity this formulation is suitable for use in every situation of daily life The practitioner adopts the humble faith filled attitude of the Canaanite woman each time they entreat Lord Jesus help me This book addresses the pressing need to make Christian spiritual practices more accessible to ordinary Christians in their busy lives today There are good treatments of the Jesus Prayer that focus on its origin historical development and its place in the contemplative tradition of the Christian East While this traditional form and prayer method continues to have an important role in Christian contemplation some adaptation will make this Prayer more accessible Furthermore while the traditional Prayer of the Heart requires vigorous discipline to quiet the mind and cultivate a prayerful habit this adapted form allows the practitioner to begin wherever they are and in whatever situation they find themselves The key to this adapted form is to name one s thoughts and feelings and turn them into prayer On the Prayer of Jesus Saint Ignatĩ (Bishop of Caucasus and Chernomor'e),1952 **The Prayer of Jesus** Michael E. Cannon,2010-11-05 Prayer is an often practiced more often neglected and less often understood practice of Christendom Counselors prescribe prayer as a means to reduce stress and lower blood pressure Some approach prayer as Eastern meditation some as an expression of tongues and other traditions offer chants in a strict liturgical form John 17 offers the reader an unusual opportunity to listen to a prayer Some might say the prayer in John 17 is the prayer of all

prayers the true definition of the Lord's prayer Drawing on classic commentators Michael Cannon casts John 17 in a pastoral light showing the grace wisdom and love of Christ for his people as he pours his heart out before his heavenly Father on their behalf While these were messages originally preached in the context of worship they also serve as a detailed commentary on one of the most beloved passages of Scripture
