Spurgeon, A gallery of people and topics are covered in this popular series Spurgeon provides the busy pastor with starter material and the Christian reader with devotional meditations **Plain teachings on prayer for children** Charles John Ridgeway, 1891 **Spurgeon's Sermons on Prayer** Charles Haddon Spurgeon, 2007 Here is a collection of sermons on the subject of prayer by one of the most beloved preachers in the history of the English speaking world Spurgeon was popular in the most fundamental sense of the word in that he was of the people He began selling his sermons early in his career and they have been published in many formats over the last century and a half This edition presents the sermons in a re typeset and redesigned modern easy to read format Selected from over 3 500 sermons this volume features Spurgeon s preaching on praying the personal life of prayer as well as prayers of the Bible and the prayers of Christ The focus is on praying not prayer in the sense that praying is an action and not an abstraction Spurgeon preaches about how praying is a key component of a righteous life about the work of prayer in the life of a Christian about examples of prayer found in the Scriptures and about the pray ers the saints whose examples can teach us about prayer *Charisma and Community* Mary Jo Neitz, Since Comte social scientists have tended to assume that mod rnization along with a tri mphant scientific rationality has destroyed the legitimacy of religion as a social reality However this crisis of legit macy has never been examined in a setting where religious real ty is affirmed This book fills that gap exploring the meaning of religious reality in the lives of a group of Catholic Charismatics to discover how belief is created developed and maintained Charismatics or Neo Pentecostals tend to be white rela ively affluent well educated and believe that they possess certain gifts including the power of healing prophesy discern ent of evil spirits and speak ng in tongues In describing and analyzing this religious minority the author provides a basis for reevaluating sociological as umptions about religion and modernity She asks to what ex ent can religion define the so ial world Are religious values necessarily irrelevant to most institutional contexts Is re igious reality only persuasive in the context of family and pri ary group relations What are the tensions between religious realities and other beliefs Her answers have implications for all ways of making sense of the world including common sense or science Neitz situates the Charismatic Renewal in a broader social and historical context She examines the antecedents of Neo Pentecostalism in American culture and compares this movement with the secular self awareness movement In so doing she shows what is unique about the Charismatics and what they share with religious prede ессors and members of contem orary secular movements **The British Messenger** , 1863 Tales in Context Rella Kushelevsky, 2017-11-13 A folkloric research project on Sefer ha ma asim In the thirteenth century an anonymous scribe compiled sixty nine tales that became Sefer ha ma asim the earliest compilation of Hebrew tales known to us in Western Europe The author writes that the stories encompass descriptions of herbs that cure leprosy a fairy princess

with golden tresses using magic charms to heal her lover's wounds and restore him to life a fire breathing dragon a two headed creature and a giant's daughter for whom the rind of a watermelon containing twelve spies is no more than a speck of dust In *Tales in Context Sefer ha ma asim* in Medieval Northern France Rella Kushelevsky enlightens the stories meanings and reflects the circumstances and environment for Jewish lives in medieval France Although a selection of tales was previously published this is the first publication of a Hebrew English annotated edition in its entirety revealing fresh insight The first part of Kushelevsky's work *Cultural Literary and Comparative Perspectives* presents the thesis that *Sefer ha ma asim* is a product of its time and place and should therefore be studied within its literary and cultural surroundings Jewish and vernacular in northern France An investigation of the scribe's techniques in reworking his Jewish and non Jewish sources into a medieval discourse supports this claim The second part of the manuscript consists of the tales themselves in Hebrew and English translation including brief comparative comments or citations The third part *An Analytical and Comparative Overview* offers an analysis of each tale as an individual unit contextualized within its medieval framework and against the background of its parallels Elisheva Baumgarten's epilogue adds social and historical background to *Sefer ha ma asim* and discusses new ways in which it and other story compilations may be used by historians for an inquiry into the everyday life of medieval Jews The tales in *Sefer ha ma asim* will be of special value to scholars of folklore and medieval European history and literature as well as those looking to enrich their studies and shelves
