**Praying for a Cure** Peggy DesAutels, Margaret P. Battin, Larry May, 2000-01-01 When the children of Christian Scientists die from a treatable illness are their parents guilty of murder for withholding that treatment How should the rights of children the authority of the medical community and religious freedom be balanced Is it possible for those adhering to a medical model of health and disease and for those adhering to the Christian Science model to enter into a meaningful dialogue or are the two models incommensurable DesAutels Battin and May engage in a lucid and candid debate of the issues of who is ultimately responsible for deciding these questions and how to accommodate and in some cases constrain Christian Science views and practices within a pluralistic society
