which not without reason amid so many heresies the Church has thus retained so that though all heretics wish to be called Catholics yet when a stranger asks where the Catholic Church meets no heretic will venture to point to his own chapel or house Such then in number and importance are the precious ties belonging to the Christian name which keep a believer in the Catholic Church as it is right they should With you where there is none of these things to attract or keep me No one shall move me from the faith which binds my mind with ties so many and so strong to the Christian religion For my part I should not believe the gospel except as moved by the authority of the Catholic Church Each prayer is only one click or touch away
