Praying the Lord's Prayer with Mary Susan Muto, Adrian L. Van Kaam, 2001      **The Catholic Library World**, 2002

*Manifesting the Primal Imagination* Joshua D. Settles, 2024-09-26 Manifesting the Primal Imagination explores a little known but important aspect of Black American Christianity the primal spirituality of the Black Pentecostal and spiritual church Set against the backdrop of a Christianity believed by many to be synonymous with White Western culture Manifesting the Primal Imagination demonstrates how this image of Christianity came to be and how it is false through a historical and scriptural examination of Christianity itself At a time in which the nature of Christian faith is hotly contested with many rejecting Christianity on the basis of its historical association with White supremacist claims Settles advocates for a rereading of the history of Black American faith in a way that recognizes the importance of the primal imagination to Christianity itself      SEEKING Celestine Nweze, 2018-08-26 Intricacies of the human psyche baffle greatly many times It is difficult at such times to understand the motivating factors for certain behaviours when considered by rational minds Seek and ye shall find says the scripture cf Matt 7 7 and this implies that people get what they seek Derailments often happen to the not very circumspect seekers and the not very knowledgeable seekers Over focusing on one s grand desire without any cautionary review along the way often portends a possible aberrant outcome with possible unwholesome consequences The thrust of this special discourse is on one endeavor that is necessarily undertaken by every human being Seeking Seeking the Deity cf Acts 17 26 28 is what this is all about Can a person seeking God find something else Seeking can be dicey so too can be lack of knowledge This guide therefore comes handy to make a hearty offer vitally equipped      **The Catholic Periodical and Literature Index**, 2007      **The Prayers and Meditations of St. Anselm with the Proslogion** Anselm, 2006-06-29 Mostly written between 1070 and 1080 before he became Archbishop of Canterbury the prayers and meditations of Anselm of Aosta created a tradition of intimate intensely personal devotional works written in subtle and theologically daring prose While the Prayer to God is based on the Lord s Prayer the Prayer to Christ is inspired by ardent private emotion and other prayers invest saints with individual attributes with John the Baptist as the friend Peter as the shepherd and Mary Magdalene as the forgiving lover among many others The meditations include a searching exploration of the state of the soul and a lament on the loss of purity and the Proslogion discusses the mysteries of faith With their bright imagery beautiful language and highly original thought the works of Anselm have secured a lasting place in both religious and secular literature      The Faith Explained Today Joe Babendreier, 2013-01-01 Written in the same style and spirit as the classic best seller The Faith Explained by Leo Trese The Faith Explained Today by Joe Babendreier offers an explanation of the faith that is easily accessible to modern readers especially students and young adults This Christian faith book is in six parts and covers the full spectrum of Church teaching over the last 2 000 years These parts include What Christians Believe How God Reveals Morality The Way Christians Worship The Human Person Prayer Complete with review questions at the end of each chapter
