**I Want to be A. L. I. V. E.** Aaron Sams,2010-03-08 The purpose of this book is to improve the lives of individuals by empowering them with the tools necessary to be a l i v e always living in victorious experiences This is accomplished by providing relevant teachings concerning the topics of salvation understanding what to do after you ve been saved discovering GOD s purpose for your life studying the Bible faith prayer praise and worship unconditional love grace holiness patience forgiveness wisdom righteousness power and authority church communion fasting tithing baptism evangelism compassion and generosity These chapters are designed so that you can apply the material into your life in order to develop a close relationship with GOD and to experience the benefits and the privileges that He offers to us as His children that enable us to

fulfill our purpose and to accomplish our goals and dreams The Complete Works of C. H. Spurgeon, Volume 26 Spurgeon, Charles H., Volume 26 Sermons 1511 1574 Charles Spurgeon 19 June 1834 31 January 1892 is one of the church s most famous preachers and Christianity's foremost prolific writers Called the Prince of Preachers he was one of England's most notable ministers for most of the second half of the nineteenth century and he still remains highly influential among Christians of different denominations today His sermons have spread all over the world and his many printed works have been cherished classics for decades In his lifetime Spurgeon preached to more than 10 million people often up to ten times each week He was the pastor of the congregation of the New Park Street Chapel later the Metropolitan Tabernacle in London for 38 years He was an inexhaustible author of various kinds of works including sermons commentaries an autobiography as well as books on prayer devotionals magazines poetry hymns and more Spurgeon was known to produce powerful sermons of penetrating thought and divine inspiration and his oratory and writing skills held his audiences spellbound Many Christians have discovered Spurgeon's messages to be among the best in Christian literature Edward Walford wrote in Old and New London Volume 6 1878 quoting an article from the Times regarding one of Spurgeon's meetings at Surrey Fancy a congregation consisting of 10 000 souls streaming into the hall mounting the galleries humming buzzing and swarming a mighty hive of bees eager to secure at first the best places and at last any place at all After waiting more than half an hour for if you wish to have a seat you must be there at least that space of time in advance Mr Spurgeon ascended his tribune To the hum and rush and trampling of men succeeded a low concentrated thrill and murmur of devotion which seemed to run at once like an electric current through the breast of every one present and by this magnetic chain the preacher held us fast bound for about two hours It is not my purpose to give a summary of his discourse It is enough to say of his voice that its power and volume are sufficient to reach every one in that vast assembly of his language that it is neither high flown nor homely of his style that it is at times familiar at times declamatory but always happy and often eloquent of his doctrine that neither the Calvinist nor the Baptist appears in the forefront of the battle which is waged by Mr Spurgeon with relentless animosity and with Gospel weapons against irreligion cant hypocrisy pride and those secret bosom sins which so easily beset a man in daily life and to sum up all in a word it is enough to say of the man himself that he impresses you with a perfect conviction of his sincerity More than a hundred years after his death Charles Spurgeon s legacy continues to effectively inspire the church around the world For this reason Delmarva Publications has chosen to publish the complete works of Charles Spurgeon The Christian Advocate Ashbel Green, 1824 A Dictionary of Christ and the Gospels James Hastings, 2004-10 The purpose of this dictionary is to give an account of everything that relates to Christ His Person Life Work and Teaching It is in a sense complementary to the Dictionary of the Bible in which of course Christ has a great place But a dictionary of the Bible being occupied mainly with things biographical historical geographical or antiquarian does not give attention to the things of Christ sufficient for the needs of the preacher to whom Christ is everything This is first of all a

preacher's dictionary. The authors of the articles have been carefully chosen from among those scholars who are or have been themselves preachers And even when the articles have the same titles as articles in the Dictionary of the Bible they are written by new men and from a new standpoint It is thus a work which is quite distinct from and altogether independent of the Dictionary of the Bible It is called a Dictionary of Christ and the Gospels because it includes everything that the Gospels contain whether directly related to Christ or not Its range however is far greater than that of the Gospels It seeks to cover all that relates to Christ throughout the Bible and in the life and literature of the world There will be articles on the Patristic estimate of Jesus the Medieval estimate the Reformation and Modern estimates There will be articles on Christ in the Jewish writings and in the Muslim literature Much attention has been given to modern thought whether Christian or anti Christian Every aspect of modern life in so far as it touches or is touched by Christ is described under its proper title James Hastings 1852 1922 was a distinguished scholar and pastor He was founder and editor of the Expository Times and is also well known for editing the five volume Dictionary of the Bible as well as the Encyclopaedia of Religion and Ethics the Dictionary of Christ and the Gospels and the Dictionary of the Apostolic Church The Way of Forgiveness Marjorie J. Thompson, 2002 The Way of Forgiveness Leader's Guide is also available It takes a lot of willingness and practice to see life from God's perspective Perhaps nothing goes more against the grain of human nature than forgiving those who wound us and accepting forgiveness from others But practicing forgiveness will transform your life and help you grow in the heart and mind of Christ In The Way of Forgiveness an 8 week small group study MarjorieThompson examines shame guilt and anger helping you release these emotions so you can move toward wholeness She also deals with the topics of receiving God's forgiveness forgiving others and seeking reconciliation Thompson gives guidance for such ticklish guestions as Does forgiveness mean release from consequences of sin Are there no limits to forgiveness How do we deal with absent offenders or people who refuse to forgive us A unique feature of this book is the inclusion of a reproduction of Rembrandt's Return of the Prodigal Son Over the course of the study the artwork will serve as a focal point for reflection and discovery Facts of Faith: Or, First-lessons in **Christianity** Abraham Bromley Crane, 1885 The Christian Advocate ,1824 The Class Leader's Assistant. Containing Upwards of 470 Views of Christian Doctrine, Duty, Experience, and Practice John Bate (Wesleyan Minister.), 1871 The **class leader's assistant** John Bate, 1874 The Metropolitan Tabernacle Pulpit Charles Haddon Spurgeon, 1881
