

The background of the cover is an abstract, painterly composition. It features broad, sweeping strokes of color, primarily in shades of deep blue, teal, and green, which create a sense of movement and depth. These colors are layered and blended, with some areas appearing more saturated than others. In the lower portion of the image, there are hints of orange and yellow, suggesting a light source or a different layer of the composition. The overall effect is one of dynamic energy and emotional resonance, typical of modern religious art.
