Whitaker, 2021-01-30 There are Many Christian Believers in this World who do Not understand How to Pray effectively or what to Pray I admitted to God so long ago that I did not know at one time myself Since then God has equipped and Ordained me to help those who admits that they need some help God has provided me with so much Love Peace and Joy since I allowed Him to help me with the Art of Praying effectively God says in His Word When I Strengthen you then you in turn are to help Strengthen you Brother s and Sister s Therefore Since God has Graced equipped and prepared me with this Wisdom and Knowledge He instructed me to Write this Collection of Prayers to help others who are Challenged in Mastering the Art of Prayer in Praying to a Holy God In the Name of Jesus Prayer is Simply talking to God and Giving Him His Word s back Why should we Pray Without Ceasing Well that s a Good question And I have a answer First God Word both decree and declares that the Prayer of the Righteous availeth much Secondly Prayer does Not keep us from going through trials however Prayer does keep us Strong from the inside out by Saying what God Said before during and After every trial we face and NOT what we Say about it Therefore you got your answer so what are you going to about your Prayer Life To God Be The Glory

The Prayer Of Faith Daniel Owusu Yeboah,2019-01-29 In my years in the Prayer Ministry I have come to discover that there are many diverse views of prayer apprehensions misunderstanding misuse of prayer for financial gain through the exploitation of seekers of help Thus in many instances the object of prayer praying to God has shifted from God to faith in men who promote prayer through Wealth and Healing Ministries These men promote prayer by manipulating their followers minds as the only power to gain wealth and healing while acting as their intermediaries between them and God to receive answers to their prayers Their goal however is to make money on the backs of their followers who are manipulated to believe in the so called miracles they perform for them The power and true benefits are now shifting to false miracle working prayers Of course there is a place for power in intercessory prayer no one should be made to believe that there are some special people who alone who can and must pray to God to experience his blessing The single most important requirement of prayer is faith in God When personal faith in God is absent prayer dies and the experience of the power and blessings from prayer are lost Faith however may not necessarily translate into victory in every circumstance what acts of faith do guarantee is that we will please God and eventually be rewarded by him The purpose of this book The Prayer of Faith Praying with Hope is to help everyone who prays to understand that prayer is first building a relationship with God through Jesus and not just to receive or see miracles It explains that anyone who exercised faith in Jesus can literally move the mountains in their lives if they prayed and prayed the right way Faith treats things hoped for as a reality with a conviction that what is being asked for has a real answer Faith is therefore mandatory for those who approach God Faith is never easy it wasn't meant to be so But the more convinced we are of the reality of an all good all loving all powerful God the more our trust will grow and the less we will be overwhelmed by doubts and temptations How strong is your faith As thou has believed so be it done unto thee Discover the secret the power and joy of praying by faith to move your mountains as you read on *Essentials of Prayer* E. M. Bounds,1994-03-01 E M Bounds describes how every Christian can maintain a prayer life that produces significant results both personally and in the kingdom of God He focuses on the proper mind set believers must attain in order to have the best prayer life He reminds readers that one must have a humble heart and undivided allegiance to God in order to pray effectively He also believes strongly that prayer is available to all people even for those who only come to God in times of trouble His advice is intended for both personal and corporate prayer and is a great help for serious meditation

Anything You Ask Colin Urquhart,2025-08-22 Jesus makes many astonishing promises of the response that God's children can expect to their prayers But experience for many seems to fall far short Addressing questions like Does God really hear me and Why doesn't He answer Colin Urquhart shows with examples from his personal ministry how people can

learn to pray with faith and see God answer their prayers This book unveils the certainty of Jesus words If you ask anything in My name I will do it By building faith on the unshakable foundation of God s Word readers are invited to rediscover the power and promise of prayer which Jesus intends to become a way of life for all His followers Through the lens of biblical heroes like Abraham who was fully convinced that God was able to do what He had promised this book reveals how believers can move mountains in their own lives by trusting in Jesus assurance It will be done for you Colin Urquhart was the Apostolic founder of Kingdom Faith Church and an ordained minister for over 50 years He was at the forefront of the Charismatic Renewal Movement in the UK in the 1970s 80s and 90s and is widely recognised and valued throughout the world having both experienced and led others in revival

M. Bounds,2002-03-01 The utmost possibilities of prayer have rarely been realized The promises of God are answered to those who truly pray His promises to answer to do and to give all things anything whatsoever and all things whatsoever are so very large so very great and so exceedingly broad that it almost staggers our faith and causes us to hesitate with astonishment All God asks is that when we pray we believe Him and trust that His promises in His Word are true *Purpose in Prayer* Edward M. Bounds,2007-12-01 **Answered Prayer** **Guaranteed!** Fred Price,2011-10 There is a way to pray so that you know God hears you and will answer your prayer There is a way to pray in faith all the time a way to get answers Amazon com **The Evangelist** ,1899 The Necessity of Prayer Edward M. Bounds,2007-06-01 Prayer is not an incident or a performance but a passion of soul It is not a want or half needed desire but a sheer necessity **Praying Constantly** Benedict Groeschel,2010-09-24 Just what did the Apostle Paul mean when he said Pray without ceasing 1 Thess 5 17 In this perceptive and timely book celebrated spiritual teacher Benedict Groeschel demonstrates how the combination of grace with enduring Christian truths and practices will enable you to experience a deep rewarding prayer life that in effect premeates everything you do But Groeschel is not implying everyone should join a monastery In fact he points out that half of the communication equation has already been solved by ordinary Christians God who created humans in His image is constantly trying to get in touch with us He uses the gift of our senses the beauty of creation and the riches of music art and literature as a kind of celestial call waiting system The challenge confronting us is to answer the call by cultivating an awareness of God s loving presence The foundation for doing so is to establish and maintain a schedule of daily prayer thereby creating a framework for communication with God In addition the Church offers a lavish variety of resources to support our personal efforts from daily Mass attendance to praying the Rosary to engaging in the ancient practice of lectio divina As we let God touch our spirits we will begin to practice contemplation a prerequisite for regarding everything in our lives as spiritual exercises This remarkable book uses the testimonies of Scripture and of the lives of saints through the ages to show how you can make your words and actions a river of unceasing prayer Power to Pray Don Andreson,2012-05 There is or at least ought to be power in prayer The Bible after all is filled with stories of people who prayed and saw amazing results Jesus our Disciple besides praying often and with the clear

expectation of results taught us to always pray and to never give up Yet too many of us lack the power to pray consistently and effectively Prayer is often a duty seldom performed instead of a living experience of connecting with heaven's power The Bible's true statement Faith without works is dead is also true when turned backward an absence of prayer in our life demonstrates the absence of faith in our heart faith in the actual effectiveness of prayer as the Bible describes it If we pray God will act if we don't pray he won't The sole aim of *Power to Pray* is to increase this faith in all of us so that our Father who eagerly waits for us to pray can act on earth as in heaven The rest is up to you and the Holy Spirit My prayer is that the immense purposes of God will be accomplished through your simple prayers
