Praying With Dorothy Day:

Praying with Dorothy Day James Allaire, Rosemary Broughton, 1995-05-30 Comforting the afflicted and afflicting the comfortable Dorothy Day provides a contemporary model for the qualities of holiness 15 Days of Prayer With Dorothy Day Michael Boover, 2013-12-25 Dorothy Day connected radical faith with doing radical deeds Beginning from her discovery of God in the Word when she was eight years old Michael Boover shares Dorothy's reflections about her pilgrimage to the daily discipline of readiness and openness to God in her life especially to God in her neighbor He shares her words on why and how she prays on her preference for frequent confession on her intentional choice of suffering and poverty and on her desire to imitate the saints and to make sanctity the norm of everyone's life In these 15 days we see how Dorothy's discipline gave her true freedom In particular it allowed her to give priority to Love to take the most direct route to God by loving her neighbor She recognized the paucity of her own best spiritual efforts and took refuge in the fact that God would do for believers what they could not fully do for themselves Boover's practical exercises emulate Day's own temperament They push you to live with more integrity and deeper love and they show a deep compassion for the difficulty of the challenge

Reflections during Advent Dorothy Day, 2015-11-13 In his September 2015 speech to the United States Congress Pope Francis credited American journalist Dorothy Day 1897-1980 cofounder of the Catholic Worker movement for her deep faith and social activism Day's devotion to her Catholic faith and its traditions reverberated through a series of four reflections published during Advent 1966 in *The Ave Maria* magazine a Catholic weekly founded in 1865 by Rev Edward F Sorin C S C These reflections available for the first time as an eBook collection with a new reader's guide and an excerpt from *On Pilgrimage* are as important today as they were fifty years ago Written a year after the close of the Second Vatican Council Dorothy Day's *Reflections during Advent* address a Catholic Church in a time of tremendous upheaval Catholic devotions fell out of practice People sought God separate from Church life Seminarians novices and vowed religious were turning away from religious life American affluence and materialism seemed to know no bounds It was a time in the Church not unlike the world today One of the most intriguing things about Dorothy Day was how she managed to harmonize a radical social vision with the most orthodox and traditional kind of Catholic piety writes Lawrence S Cunningham the John A O'Brien professor of theology emeritus at the University of Notre Dame in his introduction to the collection Her views on society would cause the most progressive Democratic voter to pause but her spiritual life was fueled by her fidelity as a Benedictine oblate to the Liturgy of the Hours her meditations on sacred scripture her love of the lives of the saints and her assiduous participation in the Eucharistic liturgy Day begins her series of four reflections with a powerful witness to prayer the Rosary the Angelus and her devotion to the Blessed Mother Then she turns her attention to the three evangelical counsels of the Catholic Church vows of poverty chastity and obedience providing insights into a Catholic way of life that benefits all whether lay person or religious The reflections exhibit Day's personal and rousing writing style with stories that fans of her 1955 landmark

autobiography *The Long Loneliness* will welcome as captivating insights into the continuation of her life story The reflections are told in her unique voice and filled with stories about Day's childhood conversion to Catholicism devotional life Catholic Worker communities work with Peter Maurin and much more With each word you will feel her dedication to the compassionate defense of the dignity of every human person especially the poor and outcast of society This work is a must read for every Advent season a timeless reminder of Day's witness to faith that echoes Pope Francis's words in his historic address to Congress Her social activism her passion for justice and for the cause of the oppressed were inspired by the Gospel her faith and the example of the saints

The Duty of Delight Dorothy Day, 2011-10-25 For almost fifty years through her tireless service to the poor and her courageous witness for peace Dorothy Day offered an example of the gospel in action Now the publication of her diaries previously sealed for twenty five years after her death offers a uniquely intimate portrait of her struggles and concerns Beginning in 1934 and ending in 1980 these diaries reflect her response to the vast changes in America the Church and the wider world Day experienced most of the great social movements of her time but as these diaries reveal even while she labored for a transformed world she simultaneously remained grounded in everyday human life the demands of her extended Catholic worker family her struggles to be more patient and charitable the discipline of prayer and worship that structured her days her efforts to find God in all the tasks and encounters of daily life A story of faithful striving for holiness and the radical transformation of the world Day's life
