Preaching Christ Today:

Preaching Christ from the Old Testament Sidney Greidanus, 1999-07-13 Arguing for the need both to preach Christ in every sermon and to preach regularly from the Old Testament Sidney Greidanus develops a christocentric method that will help preachers do both simultaneously Greidanus challenges Old Testament scholars to broaden their focus and to understand the Old Testament not only in its own historical context but also in the context of the New Testament Suggesting specific steps and providing concrete examples this volume provides a practical guide for preaching Christ from the Old Testament

Preaching Jesus Christ Today Annette Brownlee, 2018-05-15 This book approaches preaching as a theological practice and a spiritual discipline in a way that is engaging straightforward and highly usable for busy preachers Bringing to bear almost three decades of practical experience in the pulpit and the classroom Annette Brownlee explores six questions to help preachers listen to Scripture move from text to interpretation for weekly sermon preparation and understand the theological significance of the sermon Each chapter explains one of the Six Questions of Sermon Preparation provides numerous examples and illustrations and contains theological reflections The final chapter includes sample sermons which put the Six Question method into practice

Trinitarian Doxology Kevin J. Navarro, 2023-01-26 Liturgical theology tends towards the anthropocentric focussing primarily on the behaviour of the worshippers The theology of Thomas F and James B Torrance however provides an alternative approach a Trinitarian and Christocentric study of liturgy which decentralises the worshippers position in liturgy and focusses instead on Christ the One who is worshipped In Trinitarian Doxology Kevin J Navarro examines the Torrances theology explicating and illuminating their work whilst simultaneously providing critical analysis which provides a lens for deeper understanding

Preaching in Today's World James C. Barry, 1984

Today's Gospel Walter J. Chantry, 1970 In this arousing new work Walter Chantry expounds from Christ's dealing with the rich young ruler the essential elements in gospel preaching A close examination of

the scripture evidence leads to this conclusion Differences between much of today s preaching and that of Jesus are not petty they are enormous The chief errors are not in emphasis or approach but in the heart of the gospel message Were there a deficiency in one of the areas mentioned in these pages it would be serious But to ignore all the attributes of God the holy law of God repentance a call to bow to the enthroned Christ and to pervert the doctrine of assurance is the most vital mistake This powerfully written book has a message which goes to the heart of the contemporary problem in a way that conferences and commissions on evangelism have failed to do Its expository approach is particularly valuable Back cover Homiletics and Hermeneutics Scott M. Gibson,Matthew D. Kim,2018-12-04 Scott Gibson and Matthew Kim both experienced preachers and teachers have brought together four preaching experts Bryan Chapell Kenneth Langley Abraham Kuruvilla and Paul Scott Wilson to present and defend their approaches to homiletics Reflecting current streams of thought in homiletics the book offers a robust discussion of theological and hermeneutical approaches to preaching and encourages pastors and ministry students to learn about preaching from other theological traditions It also includes discussion questions for direct application to one s preaching Bible Society Record ,1939 The Gospel for Today R.
