**Acts of the Apostles** Ronald J. Allen,2013-05-01 Acts of the Apostles helps the preacher identify possibilities for sermons based on texts and themes in the book of Acts While offering a basic exegetical framework for interpreting passages in Acts in their historical literary rhetorical and theological contexts this volume also suggests ways in which the preacher can relate passages and motifs from Acts to the congregation and world today It also is useful in classes that seek to link text and sermon and for congregational Bible study Throughout his commentary Ron Allen examines the relationship of Acts to the Gospel of Luke discussing parallel passages between the two volumes and observing how themes in the Gospel carry forward into Acts He notes how particular passages contribute to developing themes and to how the awareness of such a theme can contribute to the preacher s work with a particular passage

**A Commentary on the Acts of the Apostles** Alvah Hovey, 1882 Sacra Pagina: The Acts Of The Apostles Luke Timothy Johnson, 2023-06-13 The Acts of the Apostles is really the second volume in the two part writing scholars call Luke Acts It continues the story begun in the Gospel of Luke showing how the Good News offered by Jesus to the outcast of the people was eventually extended to the end of the earth so that Gentiles as well as Jews came to share in the blessings of God This commentary treats Luke Acts as an apologetic history It takes with equal seriousness both Luke s literary artistry and his historical interests fitting his methods comfortably within the ancient standards of historiography This perspective illustrates in particular that Luke s historical narrative serves a definite religious intent Tracing that intent through the specific contours of Luke s story is the special contribution of this commentary *Failure and Prospect* Reuben Bredenhof, 2018-12-27 Bredenhof analyses the parable of Lazarus and the Rich Man Luke 16 19 31 by examining its functions as a narrative considering its persuasiveness as a rhetorical unit and situating it within a Graeco Roman and Jewish intertextual conversation on the themes of wealth and poverty and authoritative revelation The parable portrays the consequences of the rich man s failure to respond to the suffering of Lazarus Bredenhof argues that the parable offers its audience a prospect for alternative outcomes in response both to poverty and to a person who has risen from the dead This prospect is particularly evident when the parable is read in anticipation of the ethical and theological concerns of Luke s

second volume in Acts Bredenhof asserts that reading within the context of Luke Acts contributes to the understanding of Luke s purposes with this narrative It is in Acts that his audience witnesses the parable s message about mercy being applied through charitable initiatives in the community of believers while the Acts accounts of preaching and teaching demonstrate that a true reading of Moses and the prophets is inseparably joined to the believing acceptance of one risen from the dead Through a re reading of Luke 16 19 31 in its Luke Acts context its message is amplified and commended to the parable s audience for their response     Perspectives on Luke-Acts Charles H. Talbert, 1978
