## **Preaching On The Crucifixion:**

**The Crucifixion** Fleming Rutledge, 2015 Few treatments of the death of Jesus Christ have made a point of accounting for the gruesome degrading public manner of his death by crucifixion a mode of execution so loathsome that the ancient Romans never spoke of it in polite society Rutledge probes all the various themes and motifs used by the New Testament evangelists and apostolic writers to explain the meaning of the cross of Christ She shows how each of the biblical themes contributes to the whole with the Christus Victor motif and the concept of substitution sharing pride of place along with Irenaeus's recapitulation model *Preaching on the Crucifixion* Douglas William Cleverley Ford, 1993 The Crucifixion is at the heart of Christianity yet it is often the most difficult part of Christ's life to come to terms with The 21 sermons in this book written in non technical language cover the events surrounding the Crucifixion and the motivations of the people involved as well as examining its implications for Christians

**The Crucified God** Jurgen Moltmann, 2014-04-15 This work on the significance of the crucifixion takes death despair and dreadfulness with total seriousness and relates these to a liberating hope of redemption through divine agony and suffering *Studia Crucis, sermons on the Crucifixion and related themes* Alfred John Griffith, 1884 *The Messenger of the Cross* Watchman Nee, 1998-02 Watchman Nee's thesis in this book is that Christ came to mankind by way of the cross and only by this same way can we know Him At the source of all spiritual things he says stands the cross

*The Crucified God* Jürgen Moltmann, 2015-11-01 From its English publication in 1973 Jürgen Moltmann's *The Crucified God* garnered much attention and it has become one of the seminal texts of twentieth century theology Following up on his groundbreaking *Theology of Hope* *The Crucified God* established the cross as the foundation for Christian hope Moltmann's dramatic innovation was to see the cross not as a problem of theodicy but instead as an act of ultimate solidarity between God and humanity In this he drew on liberation theology and he was among the first to bring third world theologies into a first world context Moltmann proposes that suffering is not a problem to be solved but instead that suffering is an aspect of God's very being God is love and love invariably involves suffering In this view the crucifixion of Jesus is an event that affects the entirety of the Trinity showing that *The Crucified God* is more than an arresting title it is a theological breakthrough

*The Cross and the Crucifixion* Grace Dola Balogun, 2011-12-13 Christ paid for the sins of the people of the world on the cross The work of redemption of God the Father through God the Son which started at the Garden of Eden was completed on the day that Christ was crucified on the cross As the great hymn says On the cross is when I first saw the Lord and all my sins rolled away All believers must come to the realization that the cross of Christ is the basis for our salvation If Christ did not go to the cross there would be no salvation and no eternal life We would still be in our sins We should all praise and glorify the God of glory for the finished work of salvation on the cross If some churches preach and say to forget the cross that Christ is no longer on the tree those preachers are not preaching the true Gospel The cross should be in our churches and in our homes to remind us of the agony of our Lord so that we may totally surrender to His Lordship and

live with Him from this earth to heaven Let us embrace the cross the power and the love of Jesus Christ for humanity through His crucifixion on the cross

**Spurgeon's Sermons on the Cross of Christ** Charles Haddon Spurgeon, A gallery of people and topics are covered in this popular series Spurgeon provides the busy pastor with starter material and the Christian reader with devotional meditations Prayer Spirituality Devotions *The Five Mysteries in Brotherhood of the Cross and Star* Carl Alexander-Reindorf,2006-11-09 In this book we record the five mystery gospels preached by Leader Olumba Olumba Obu namely Mystery of God Mystery of Time Mystery of Propagation Mystery of Death and Mystery of Marriage Several Gospels on Christ s Universal Spiritual School of Practical Christianity otherwise known as Brotherhood of the Cross and Star are also recorded The Addendum contains Order of Services in Brotherhood of the Cross and Star The Power of the Cross; and Other Sermons Forbes Edward Winslow,1873 Exposition of the First Epistle to the Corinthians ... Charles Hodge,1878 **Preaching the Gospel in the Way of Life** Witness Lee,2002 *The Cross of Christ* George R. Knight,2008 It is basic to the Christian understanding of theology history and every other field of knowledge Indeed it is an issue so vast and significant that few books even attempt to span the broad spectrum of topics it raises *The Day of the Cross* William Maccallam Clow,1909 Stumbling over the Cross Joni S. Sancken,2016-04-21 It has never been easy to preach about the cross and resurrection of Jesus but difficulties today are particularly challenging Hearers ask tough questions of the church and the Christian faith and they are not satisfied by formulaic answers People are often suspicious of doctrine and are attracted to a broad but vague or pluralistic spirituality rather than the classical claims of Christianity In this climate preachers often see preaching on the central events of the Christian story the crucifixion and resurrection as more of a problem than a possibility more of a burden than a joy They wonder not only how to preach the old old story of cross and resurrection but whether they should preach these themes at all This book addresses these concerns and shows preachers how to preach the cross and resurrection in fresh culturally relevant ways that deepen Christian discipleship Each chapter shows the relevance of preaching the cross for addressing a particular congregational concern What has ironically become a stumbling block in the pulpit the stone that preachers often reject preaching on the cross and resurrection of Jesus can serve as the cornerstone for building up the congregation for discipleship in our world **The New Testament of Our Lord and Saviour Jesus Christ: The Epistles and Revelation** ,1884 **Sunday School Times** ,1882 *Dying to Tell You* Michael Hunter,2021-09-07 Jesus tells us that if one desires to be his disciple they must deny himself and take up his cross and follow me Mark 8 34 But what does it mean to take up your cross and how can we do this The apostle Paul said that he desired to know nothing except Jesus Christ and him crucified 1 Corinthians 2 2 and elsewhere even claimed to have been crucified with Christ Galatians 2 20 How can one join Paul and know Jesus in his Crucifixion The answer is to take Jesus at his word From the cross Jesus spoke seven times These sayings summarize the gospel and explain how we can know him in his Crucifixion On the cross Jesus was literally Dying to Tell You how his death fulfilled God s eternal plan for our redemption

Unlike other studies of the last sayings of Jesus from the cross *Dying to Tell You* takes a new approach and views the sayings together as a whole revealing how together they form the foundation to understanding the gospel of Jesus Originally motivated to seek a resolution to the dilemma of which saying is the last both Luke and John appear to report the last saying *Dying to Tell You* establishes a new order for the sayings based on a detailed examination and integration of the four Crucifixion narratives contained in the Gospels While each saying is individually examined rather than handling them as isolated statements *Dying to Tell You* demonstrates how these sayings comprise the final message of Jesus his sermon on the cross Along the way *Dying to Tell You* also provides assurance that the Bible can be trusted and is a historically accurate resource demonstrates that the cross is the centerpiece of redemptive history and illustrates how Jesus and the Crucifixion serve to fulfill the scriptures and provide for the salvation of mankind *Dying to Tell You* is nothing less than one disciple's spiritual awakening and quest to know Jesus Christ and him crucified through the sayings he made from the cross and gospel they proclaim     The Christian guardian (and Church of England magazine). , 1842     *The Atonement, Etc* Robert William DALE, 1875
