

YOUCAT Bible: Pope Francis's Preface

*To help schools' journey through *The Year of the Word: The God Who Speaks* we've taken excerpts from Papal texts concerning young people and scripture. The excerpt below comes from the preface to the YOUCAT Bible. YOUCAT stands for the faith of the Catholic Church: vividly explained, innovatively presented, officially confirmed. For more information and to purchase the Bible, visit youcat.org.*

My dear young friends:

If you could see my Bible, you would not be particularly impressed. What—that's the Pope's Bible? Such an old, worn-out book!

You could buy me a new one for \$1,000, but I would not want it. I love my old Bible, which has accompanied me half my life. It has been with me in my times of joy and times of tears. It is my most precious treasure. I live out of it, and I wouldn't give anything in the world for it.

I really like this new Youth Bible. It's so colourful, so rich in testimonies: testimonies of the saints, testimonies of young people. It is so inviting that when you start to read at the beginning, you can't stop until the last page.

And then ...? And then it disappears on a shelf, collecting dust. Your children find it one day and bring it to the flea market.

It must not come to that.

I'll tell you something: There are more persecuted Christians in the world today than in the early days of the Church. And why are they persecuted? They are persecuted because they wear a cross and bear witness to Jesus. They are convicted because they own a Bible. The Bible is therefore a highly dangerous book—so dangerous that you are treated in some countries as if you were hiding hand grenades in your closet.

It was a non-Christian, Mahatma Gandhi, who once said: "You Christians look after a document containing enough dynamite to blow all civilization to pieces, turn the world upside down, and bring peace to a battle-torn planet. But you treat it as though it is nothing more than a piece of literature."

So what do you have in your hands? A piece of literature? Some nice old stories? Then you would have to say to the many Christians who go to prison or are tortured because they own a Bible: "How foolish you are; it's just a piece of literature!"

No. By the word of God has Light come into the world, and it will never go out. In *Evangelii Gaudium* (175) I said, "We do not blindly seek God, or wait for him to speak to us first, for 'God has already spoken, and there is nothing further that we need to know, which has not been revealed to us.' Let us receive the sublime treasure of the revealed word."

So you have something divine in your hands: a book like fire! A book through which God speaks. So notice: The Bible is not meant to be placed on a shelf, but to be in your hands, to read often—every day, both on

Preface To Pope:

A Preface to Pope Ian Robert Fraser Gordon, 2017-09-08 This second edition of Ian Gordon's *A Preface to Pope* places the poet within the social cultural and intellectual context of his time. It throws new light on the theoretical and imaginative structures of Pope's poetry focusing on the linguistic complexity at its centre. It offers a critical survey of his work and also contains introductory essays. The book concludes with a reference section which includes indispensable information on places and people in Pope's poetry together with a glossary of technical terms and a guide to further reading. *Preface to Pope* Samuel Johnson, 1781 **A Preface to Pope** I. R. F. Gordon, 1983 **Pope's "Iliad"** Steven Shankman, 2009-06-01

Explaining why the English Augustan Age could more accurately be called the Age of Passion than the Age of Reason this book recovers the interpretive and stylistic aims of Pope and his contemporaries and addresses objections that have lost Pope's *Iliad* the audience it deserves. Controversial even before the appearance of the first of its six volumes in 1715 the work remains so today little read in spite of Samuel Johnson's declaration that it is the noblest version translation of poetry the world has ever seen. Steven Shankman shows that Pope's translation embodies a much finer understanding of the sense and spirit of the original than has been generally recognized. Examining relevant documents in the history of literary theory and literary style from antiquity through the eighteenth century Professor Shankman offers a fresh and full interpretation of Pope's achievement. He also redeems some of Pope's shrewdest observations on key difficulties in the interpretation of Homer. The English Augustan poets could proudly say that although many of their works were matched or surpassed by ancient Greece and Rome or by more contemporary Italy and France they alone raised poetic translation to the status of great art. This book illuminates their accomplishment and it has important implications for problems of literary translation that we face today.

Pope's Translation of Homer's *Iliad* Homer, 1899 **Dead Masters** Anthony W. Lee, 2011-11-21 *Dead Masters* Mentoring and Intertextuality in Samuel Johnson examines the dual issues of mentoring and intertextuality as an integrated phenomenon. Through a series of fresh and novel readings of Johnsonian and Boswellian texts the book offers insight not only into these two issues but further advances our awareness of the formal complexities of Johnson's writings and the psychological substratum from which they issue. Lee utilizes a variety of critical perspectives for example the tools of Bloomean anxiety of influence post colonial and deconstructive criticism and explicative analysis under the generalized and flexible rubric of mentoring to explore the processes of textual influence mentoring relationships and cultural authority within Johnson's work. The goals of this book include the consolidation of mentoring as a fruitful critical perspective from which to understand Johnson the establishment of an intertextual framework for understanding Johnson and the effort to offer a series of readings of Johnson that more fully divulge the power and complexity of his writing. The book further seeks to effect via the mediation of a series of pragmatic readings a rapprochement between the theoretical divide separating psychological interpretations of Johnson interpersonal mentoring encounters and linguistic and formal interpretations.
