Prefects of the Chalet School Elinor Mary Brent-Dyer, 1994 The last term at the Chalet School for the Maynard triplets is bound to be an eventful one A supposedly quiet afternoon has a near unhappy ending and Examinations Sports and the Sale all produce their own excitements But it is Len as head girl who has the greatest shock of all when Dr Entwistle has a serious accident Can she learn to grow up at last *The School at the Chalet* Elinor M. Brent-Dyer, 2023-05-22 Inspired by a vacation to the Austrian Alps Elinor M Brent Dyer wrote *The School at the Chalet* launching a series that would span more than 60 books The series follows the adventures of a boarding school set in the picturesque Swiss Alps The series begins with *The School at the Chalet* 1925 where readers are introduced to Miss Madge Bettany a young woman who decides to start a school for girls in the Swiss mountains The series then chronicles the growth and evolution of the school as well as the trials and triumphs of its students The English Girls' School Story Judith Humphrey, 2009 The English girls boarding school novel was staple reading for girls not just in England through the first half of the twentieth century Generally dismissed as sentimental hack writing these stories were immensely popular Humphries who had loved the books as a child discovered in adulthood that she was still enamored of them Her search for why the books still hold up turned into a dissertation She concentrates on the genre as a whole finding several important similarities The most important ones involve the independence and strength of young women living in an all female environment The chapters elucidate the positive messages that the books contain a respect for intelligence and learning women as self directed women active in sports women in authority and importantly the bonds of female friendship Humphries makes it clear that although some attitudes have changed too many girls still see themselves as incomplete without a boyfriend and always secondary to him **GOOGLE BOOKS**
