Harvard Law School, 1967 **Preliminary Union List of Materials on Chinese Law** Harvard University Press, Law School Library Harvard University, 1974-07 This volume a list of Chinese studies and translations of foreign law was prepared for the Subcommittee on Chinese Law of the Joint Committee on Contemporary China of the American Council of Learned Societies and the Social Science Research Council **The Chinese Communist Treatment of Counterrevolutionaries, 1924-1949** Patricia E. Griffin, 2015-03-08 During the period 1924 1949 amid civil war with the KMT war with the Japanese internal leadership disputes and other chaotic conditions rapid shifts occurred in the political culture of China Patricia Griffin contends that an understanding of how the Chinese Communists created a legal system at this time is essential to a grasp of more recent events Focusing on the Communists definition and treatment of counterrevolutionaries she describes and assesses the contribution of environment ideology and leadership in the development of legal techniques used by the Communists in their rise to power In this book translations of the major statutes concerning counterrevolutionaries during the period together with an account of the growth of counterrevolutionary law and the legal structure explain how the counterrevolutionaries were dealt with and how their treatment changed in response to external and internal stimuli The author analyzes the roles of ideology and experience as determinants of law toward counterrevolutionaries and in a final chapter discusses the implications of the early experience for future legal developments in China Her topic is of vital importance because of the politically sensitive nature of the subject matter and because of the time period examined Originally published in 1976 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905 *Encyclopedia of Library and Information Science* Allen Kent, Harold Lancour, Jay E. Daily, 1977-05-01 The Encyclopedia of Library and Information Science provides an outstanding resource in 33 published volumes with 2 helpful indexes This thorough reference set written by 1300 eminent international experts offers librarians information computer scientists bibliographers documentalists systems analysts and students convenient access to the techniques and tools of both library and information science Impeccably researched cross referenced alphabetized by subject and generously illustrated the Encyclopedia of Library and Information Science integrates the essential theoretical and practical information accumulating in this rapidly growing field **Law Preliminary Union List of Materials on Chinese Law**, 1967 **Bücherkunde zur chinesischen Geschichte, Kultur**

und Gesellschaft Rainer Hoffmann,1973 *Modern China, 1840-1972* Andrew Nathan,2021-01-19 Graduate students have traditionally learned a good part of what they know about sources and research aids on modern China through hearsay and serendipity in unsystematic and unreliable bits and pieces The field has now developed to the point where this need not and ought not to be so It is now possible for beginning researchers to start with some shared basic knowledge of research aids and documentary resources This research guide is meant to provide that knowledge The user of this guide is envisaged as an American graduate student in history or the social sciences who is already familiar with the major English language secondary literature on modern China and is about to begin original research either for a seminar paper or for a dissertation
