Answers to Confounding Teachings of End-Time Events W. Winters,2024-11-07 How many different views of the end time Bible passages have you heard Are the gospel accounts about the end times only talking about Jesus s second coming or do they include information on the rapture What exactly happens when the rapture takes place What happens to Fido my cat in the rapture event What kind of body does my dad in heaven have right now if he doesn t get one until the rapture Just how many resurrections are there How can I know I ll be going up in the rapture to be with Jesus And then there s the Ezekiel 38 and 39 war the Gog Magog war How many different views have you sat through for that one How many times has someone said there has to be a gap between the rapture and start of the tribulation for God to account for the Psalms 83 and the Gog Magog wars And what about Psalms 83 is it a war or a prayer Are you tired of the unanswered questions or being told we can never know for sure Then stop and read this book Allow the words to with prayer through the power of the Holy Spirit walk you through the Scriptures to provide real answers to all the different prophetic teachings You don t have to be confounded about these end time questions anymore I hope you re as blessed by God reading this book as much as I was by writing it See you in the clouds soon

Apocalyptic Fever Richard G. Kyle,2012-08-01 How will the world end Doomsday ideas in Western history have been both persistent and adaptable peaking at various times including in modern America Public opinion polls indicate that a substantial number of Americans look for the return of Christ or some catastrophic event The views expressed in these polls have been reinforced by the market process Whether through purchasing paperbacks or watching television programs millions of Americans have expressed an interest in end time events Americans have a tremendous appetite for prophecy more than nearly any other people in the modern world Why do Americans love doomsday In Apocalyptic Fever Richard Kyle attempts to answer this question showing how dispensational premillennialism has been the driving force behind doomsday ideas Yet while several chapters are devoted to this topic this book covers much more It surveys end time views in modern America from a wide range of perspectives dispensationalism Catholicism science fringe religions the occult fiction the year 2000 Islam politics the Mayan calendar and more **A**

Revelation of the End Times Timo Groot,2023-11-06 The Rapture of the Church is a remarkable prophecy from the Word

of God Due to the numerous theories and ideas about this event many no longer know what is and isn't biblical Timo Groot takes you through the Biblical data on the Rapture and why the Rapture is more relevant today than ever before The Rapture is the hope of escaping the horrors that will occur on Earth and is the moment when the Church will see the Lord Jesus face to face in the Father's house of God The Second Coming of Christ is often confused with the Rapture However these are two different events This book explains what the Second Coming is and what will happen after His coming The Lord Jesus will physically return and establish a thousand year reign on Earth After reading this book you will have knowledge about future times and look forward to the soon coming of Jesus In this book we cover topics including Divine timeline What is the Rapture Raptured before tribulation Caught up to heaven When is the Rapture Living in anticipation of the Rapture What is the Second Coming The judgments of God Signs of His coming Events after His coming Difference between the Rapture and the Second Coming How to be ready for the Rapture The Branch and End Time Doug Israel,2014-02 Understand obscure scriptures regarding creation salvation the rapture end times the catalyst necessary for the latter year pouring out of God's Spirit and worldwide revival **End Time Delusions** Steve Wohlberg,2005-01-28 Will Christians vanish in a rapture Will seven years of apocalyptic terror overtake those left behind Will one future Mr Diabolical the antichrist rise to control the world Will he enter a rebuilt Jewish temple claiming to be God Will Earth's nations attack Israel at Armageddon Best selling books like Left Behind and popular apocalyptic movies predict such things Are they correct No area of Christianity has been subject to more misguided interpretation than end time prophecy Millions of Christians sense we are nearing Jesus Christ's return Yet when it comes to what the majority thinks will happen during Earth's last days and what the Bible actually says will occur the difference is seismic With clarity and biblical accuracy End Time Delusions exposes massive errors now flooding through media and in much of today's sensational prophecy writing This book closely examines tightly meshed yet speculative theories about the rapture seven year tribulation antichrist and the modern Jewish state This book is no novelty Buttressed with solid teachings from many of Christianity's most illustrious scholars it lets the Bible speak for itself about the past present and future **Religion and Violence** Jeffrey Ian Ross,2015-03-04 First Published in 2015 Daily newspaper headlines talk radio and cable television broadcasts and Internet news web sites continuously highlight the relationship between religion and violence These media contain stories about such diverse incidents as suicide attacks by Islamic fundamentalists in Afghanistan Iraq Israel Pakistan and elsewhere and assassinations of doctors who perform abortions by white American Christian true believers in the United States How does one make sense of the role of religion in violence and of perpetrators of violence who cite religion as a motivation This encyclopedia includes a wide range of entries biographies of key figures historical events religious groups countries and regions where religion and violence have intersected and practices rituals and processes of religious violence *Rapture and Revelation* R. G. Brock,2009-10 This book is not written for Christians alone but is written for anyone who desires to know the near future Study helps and materials are listed along

with instructions which will give any one the means to understand even the most difficult scriptures in the Bible which is the most accurate of any book on end time events With many books on the subject none are as telling and straight forward as Rapture and Revelation While there are many fears concerning the end times author R G Brock embarks on the task to unravel the mysteries of the Rapture and Revelation While attending Rhema Bible Training Center in Broken Arrow Oklahoma R G Brock had the privilege of being taught by well known author and teacher brother Kenneth Hagin Sr who has since went home to be with Jesus After being inspired by one of Hagin s lectures Brock obeyed his strong urge to write a book on the end times This heart gripping treatise will guide you into the truth as you uncover the mystery of the end of times This book is written to give you a clear incite into the end of this age The end begins with peace when a worldwide 7 year peace agreement is signed in the next few years which will be backed by a one world government run by the United Nations Then in the middle of the 7 year period the peace agreement will be broken and all hell literally breaks loose which leads to a time of trouble such as never has been or ever will be again During this time of the last 3 1 2 years which is called great tribulation most of the people on the earth will die However if you are a Christian you will not go through this terrible time You will find this book is the most in depth study on what is called the rapture which is the catching away of the Christians to not go through great tribulation and you will find that it is by far the most in depth study of The Revelation which shows what will happen during this time of great trouble

The Rapture Part I Jopie Rattu, Sridadi Atiyanto, 2020-03-24 The end of times is a topic that always attracts the attention of the Lord s congregation since the beginning because in the last days the believers will be raised into the clouds to meet the Lord However Lord Jesus also stated that in the last days there will be a

severe persecution That is why they need to prepare themselves to face this severe persecution In this first part of the book the authors present very basic things that should be known by Christians namely things relating to the end times which include Signs and marks 666 which must not be accepted by Christians This section explains the link between Biochip and 666 and the reasons and verses that explain why God s children may not accept chip666 What are the consequences for a child of God who receives Chip666 and what is the fate of a child of God who refuses to accept it The importance of knowing the last world ruler because from this kingdom will emerge ten kings and antichrists There are four main end times figures namely Satan ten kings antichrist and false prophets The Bible clearly explains these four figures so we can interpret these figures today Rapture what and when The rapture will occur after the time of tribulation but before the vials of God s wrath This means that God s children will experience persecution The difference between the tribulation period and God s wrath period Tribulation period when it starts and ends The events that occurred related to the opening of each seal of the seven seals in the Book of Revelation Emergence and duties of two witnesses of God When the appearance of two witnesses of God and what are their duties Christian preparations and attitudes in the end times Because at the end times all of God s children will experience persecution so much preparation must be done Where the preparation is not only related to the physical but primarily spiritual preparation that requires time and sincerity In addition at the end of this book the estimated The Book of Revelation in a New Structure is included Many Christians have difficulty understanding the contents of the Book of Revelation This happened for one thing because the contents and events in the Book of Revelation were not sequential from beginning to end there are several events that were repeated in other sections because the Apostle John wrote the Book of Revelation from two visions where some of the two visions are related to the same things If all the same events are put together so that the contents of the Book of Revelation are sequential in time from beginning to end then the Book of Revelation becomes easy to understand and even the meaning of the seven seals is easier to understand without needing to be interpreted because the meaning of the first to the third seal is found in another chapter of the Book of Revelation

End Times, the Middle East, and the New World Order Edward E. Hindson,1991 Is global peace and prosperity really just around the corner or should people take a more critical look at world events and lofty political promises Ed Hindson analyzes the current world scene in light of Bible prophecy from the Gulf War to questions about the identity of the Antichrist and the probability of lasting peace

The Popular Handbook on the Rapture Tim LaHaye,Thomas Ice,Ed Hindson,2012-05-01 Why is there so much confusion about how and when the rapture will take place What does the Bible say for certain about this event When will the Tribulation occur and who will face it There is a lot of discussion among Christians about the rapture and the last days Why all the different views And how do those perspectives line up with Scripture Tim LaHaye and Thomas Ice have assembled a team of longtime Bible prophecy experts who look carefully to God s Word for the answers In this book readers will discover what they can know for certain And as they consider the things that still remain

uncertain they will gain a renewed trust that God knows what He is doing His plan is perfect and it will unfold in His timing
