

School Library Media Center

Barbara Stein Martin

School Library Media Center:

School Library Media Centers in the 21st Century Kathleen W. Craver, 1994-07-26 School library media centers are at a critical juncture Over the next decade schools will undergo fundamental technological economic societal instructional and administrative changes Craver discusses the major forces for change confronting school libraries analyzes their implications as a guide for future decision making and recommends that school library media specialists assume a leadership role in meeting these challenges The work provides current data and statistics on future trends in technology employment education society instruction and school administration that can help the school library media specialist to formulate forceful arguments for the acquisition of new technologies instructional reform and full implementation of resource based learning School library media specialists who need to plan and make decisions about the future of their school libraries will find this book an invaluable resource To visualize the future Craver creates contrasting scenarios of utopian and dystopian school library media centers in the 21st century Chapter 1 Technological Trends discusses the digitalization of all media and the implications of the technological revolution on the school library media center Chapter 2 Economic Trends considers the impact of demographic changes and declining budgets and how to deal with them Chapter 3 Employment Trends outlines future trends in the workforce and suggests ways in which the school library can respond Chapter 4 Educational Trends charts the decline in literacy and the growing school reform movement Chapter 5 Social and Behavioral Trends discusses the change from a nation with minorities to a nation of minorities and the transformation of the American family Chapter 6 Instructional Trends shows how the instructional role of the school library media specialist will change with the presence of advanced technologies Chapter 7 Organizational and Managerial Trends describes the role the school library media specialist will have to assume as the technological economic educational and cultural changes affect the daily business of the media center Chapter 8 Challenges focuses on a series of challenges in technology performance based programs collection development instruction and organization and management of the library media center
