Science Spirit And Superstition A New Inquiry Into Human Thought:

Speculum Spinozanum, 1677-1977 Siegfried Hessing, 2019-07-31 Originally published in 1978 These essays are written by distinguished philosophers from many countries and were published as a homage to Spinoza in the year which marked the three hundredth anniversary of his death A special feature of the book is that it includes a recently discovered letter by Spinoza reproduced for the first time in English and in facsimile with a commentary The controversial influence of Spinoza on Freud is discussed and illustrated by facsimile reproductions of original letters hitherto unknown to Freudians and Spinozists alike These letters direct revealing light on some of Freud's attitudes Important parallels between East and West will also attract the student of Spinoza

Unity of the Heart Peter N. Borys, Peter N. Borys, Jr., 2008-12 In *Unity of the Heart* Peter Borys Jr presents a multidimensional mystical anthropology and transformation that forms a spirituality of the heart A heart centered consciousness opens the way to living a new vision of mystical transformation and spiritual creativity Borys develops this new vision where we live from a transcendent consciousness in our everyday life of relationships intention creativity and work in the world The book supports our pathway to experience the meditative awareness relational self giving and intention of the heart based consciousness Within the heart we can seamlessly express our nonlocal and nondual mystic self as a community of being within the universe The awakening of a consciousness of the heart unites the sciences and the mystic way to form a spiritual scientific view of our multidimensional humanity and spiritual cosmology Within the new vision personal transformation to the true self in Divine unity becomes part of the evolution to an enlightened humanity

Spinoza in English Wayne I. Boucher, 1991 *Spinoza in English* is the first bibliography to bring together the entire 325 year record of books monographs dissertations and articles in English on Benedict de Spinoza 1632-1677 including translations of his works into English Well over 2100 citations are presented bringing this record through early 1991 Arranged alphabetically by author or editor and internally cross referenced for ease of use this bibliography also cites its own sources where appropriate and in many cases provides guidance on how to obtain unpublished or out of print titles Additionally it restores or corrects a good deal of earlier bibliographic detail identifies dozens of publications hitherto overlooked and beginning with titles from the mid 1800s presents the citations in a uniform style
