Peace Moves

Laura Toussaint

Peace Moves:

The Israeli Peace Movement Leonie Fleischmann, 2019-09-19 The Israeli peace movement has been in decline since the 2000s In particular the liberal Zionist groups who call for peace for the sake of the security and continuity of Israel have become paralysed and almost voiceless since the second Intifada However despite the stagnation around the Israeli Palestinian Peace Process this book argues that other important groups have emerged that present new ways to challenge the status quo These are radical groups that act in solidarity with the Palestinians and human rights organisations and whose aim is to reveal the realities of the occupation and hold the government to account Leonie Fleishmann argues that these groups have been and remain the agenda setters pushing the more moderate groups to mobilise more quickly and encouraging them to take up more confrontational ideas Using social movements theory and based on 50 interviews and participant observation this book sheds light on contemporary Israeli peace activism

The Israeli Peace Movement Tamar S. Hermann, 2009-09-14 This book discusses the predicament of the Israeli peace movement which paradoxically following the launching of the Oslo peace process between Israel and the Palestinians in 1993 experienced a prolonged fatal decline in membership activity political significance and media visibility After presenting the regional and national background to the launching of the peace process and a short history of Israeli peace activism the book focuses on external and internal processes and interactions experienced by the peace movement after some basic postulates of its agenda were actually although never explicitly embraced by the Rabin government The book concludes that despite its organizational decline and the zero credit given to it by the policy makers in retrospect it appears that the movement contributed significantly to the integration of new ideas for possible solutions to the Middle East conflict in the Israeli mainstream political discourse

The Contemporary US Peace Movement Laura Toussaint, 2008-11-04 Much of the academic literature on peace activism has only explored organizations leaving the knowledge and experiences of individual activists underexplored This book addresses this gap and explores issues as activist identity diversity and movement participation as well as the challenges successes and failures of those struggling for peace

The American Peace Movement, 1933-41 Robert Edwin Bowers, 1947

A.O.U.W. Bulletin Ancient Order of United Workmen, 1940 **The Independent** Leonard Bacon, Joseph Parrish Thompson, Richard Salter Storrs, Joshua Leavitt, Henry Ward Beecher, Theodore Tilton, Henry Chandler Bowen, William Hayes Ward, Hamilton Holt, Fabian Franklin, Harold de Wolf Fuller, Christian Archibald Herter, 1910

The First Peacetime Draft John Garry Clifford, Samuel R. Spencer, 1986 Using the Selective Service Act of 1940 as a focus to illuminate the evolution of American policy and attitudes toward the Second World War The First Peacetime Draft unites exhaustive research with crisp narrative and trenchant analysis It is a first rate work Arthur Schlesinger Jr author of *The Age of Roosevelt* and *The Imperial Presidency*
