Peace Progress And Prosperity A Biography Of Saskatchewan's First Premier T Walter Scott:

Peace, Progress and Prosperity Gordon Barnhart, University of Regina. Canadian Plains Research Center, 2000 Thomas Walter Scott was a newspaper owner and successful businessman before being elected to the House of Commons in 1905 as member for Assiniboia West. He became leader of the Saskatchewan Liberal Party by 1905 and premier of the new province. This biography covers the life of this respected political leader from birth through his political career to his retirement years, giving a picture of his labours in the fields of education, female suffrage, agriculture and public policy, whose fruits continue to be of influence in the province.

Saskatchewan Premiers of the Twentieth Century Gordon L. Barnhart, 2004 From the optimism associated with provincial status in 1905 through the trials of Depression and war, the boom times of the post war period and the economic vagaries of the 1980s and 1990s, the twentieth century was a time of growth and hardship, development, challenge and change for Saskatchewan and its people. And during the century, twelve men from a variety of political parties and from very different backgrounds led the government of this province. The names of some like T C Douglas and Roy Romanow are still household names, while others like Charles Dunning and William Patterson have been all but forgotten. Yet each in his unique way for better or for worse helped to mould and steer the destiny of the province he governed. These are their stories.

Ours by Every Law of Right and Justice Sarah Carter, 2020-11-01 Many of Canada's most famous suffragists from Nellie McClung and Cora Hind to Emily Murphy and Henrietta Muir Edwards lived and campaigned in the Prairie provinces, the region that led the way in granting women the right to vote and hold office. In *Ours by Every Law of Right and Justice*, award-winning author Sarah Carter challenges the myth that grateful male legislators simply handed western settler women the vote in recognition that they were equal partners in the pioneering process. Suffragists worked long and hard to overcome obstacles, persuade doubters and build allies. But their work also had a dark side. Even as settler suffragists pressured legislatures to grant their sisters the vote, they often approved of that same right being denied to foreigners and Indigenous men and women. By situating the suffragists' struggle in the colonial history of Prairie Canada, this powerful and passionate book shows that the right to vote meant different things to different people, political rights and emancipation for some, domination and democracy denied for others.

The Prairie Agrarian Movement Revisited Kenneth Murray Knuttila, 2007 The formation of the Territorial Grain Growers Association in 1901 was not the only important event in the early history of what has come to be known broadly as the agrarian movement in the Canadian prairies, but it was a defining moment in some respects. Arguably, it signalled the formation of an agrarian class, but at least it was an indicator of an awakening of a democratic consciousness among family farmers. Ultimately, the Association provided a venue for analysis and critique, the development of strategies and tactics, and of course the nurturing of leadership and organizational forms that would have a profound influence upon politics and the state in the three prairie provinces and the Dominion as well as the creation of co

operatives and other forms of direct action These eighteen essays honouring the 100th anniversary in 2001 of the formation of the TGGA explore important aspects of the historical legacy of the agrarian movement and contemplate their relevance to the current setting for the rural prairies pub desc **Saskatchewan Politics** Howard A. Leeson, 2001 The essays in this volume cover a broad range of topics on Saskatchewan politics including the role of the legislature and the Governor General political institutions premiers cabinets public service judiciary commissions political parties and their history and social issues the economy public finance health care reform economic development rural life demographics First Nations public welfare federal relations the media Appendices include a table of provincial electoral results 1905 99 and lists of Saskatchewan premiers Lieutenant Governors and presidents chiefs of the Federation of Saskatchewan Indian Nations
