*Peacekeeping & International Relations*, 1997      *UN-Friedenssicherung, 1985-1995* Hans-Georg Ehrhart, Konrad Klingenburg, 1996      *Historical Dictionary of the United Nations* Jacques Fomerand, 2017-12-29 At a time of profound transformations in international relations the second edition of Historical Dictionary of the United Nations maps out the continuing and deepening role and relevance of the United Nations in the maintenance of peace and the promotion of development and human rights Focusing on the past two decades developments this book contributes to a reasoned and fuller understanding of an organization which remains the cornerstone of a changing world fraught with challenges which simply cannot be addressed either unilaterally or bilaterally This second edition of Historical Dictionary of the United Nations contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 1 000 cross referenced entries on its basic organizations subsidiary bodies related specialized and other agencies and nongovernmental actors as well as outstanding figures in its history This book is an excellent resource for students researchers and anyone wanting to know more about the United Nations      *List of U.S. Army Research Institute Research and Technical Publications, October 1, 1994 to September 30, 1999*, 2000      **The Role of United States Air Power in Peacekeeping** Brooks L. Bash, 1994 In the aftermath of the cold war the world is witnessing a dramatic increase in regional conflict and associated United Nations peacekeeping operations Recognizing this trend and the fact that peacekeeping can serve US national security interests US policymakers have earmarked military peacekeeping involvement the employment of air power will be a natural consideration Unfortunately there is little practical or doctrinal guidance outlining the benefits and limitations of air power within the peacekeeping paradigm To remedy this situation this study first provides a general discussion of peacekeeping and constructs a comprehensive framework to categorize and analyze the role of air power in peacekeeping Next several recommendations are presented concerning command and control doctrine and organizational issues In the end this study concludes that the role of air power in peacekeeping is primarily auxiliary Nevertheless among the potential US contributions to UN peacekeeping air power may be the best medium as it offers capabilities different from those currently available to UN forces Moreover the use of air power as opposed to ground peacekeeping forces will reduce

the risk to American lives Finally the expanded use of air power in UN peacekeeping presents an opportunity to demonstrate US leadership and resolve while avoiding the perception of dominating the show
