A biography of the woman who was awarded both the Pulitzer and Nobel prizes for literature. Chinese American Literature without Borders King-Kok Cheung, 2017-02-18. This book bridges comparative literature and American studies by using an intercultural and bilingual approach to Chinese American literature. King Kok Cheung launches a new transnational exchange by examining both Chinese and Chinese American writers. Part 1 presents alternative forms of masculinity that transcend conventional associations of valor with aggression. It examines gender refashioning in light of the Chinese dyadic ideal of wen wu (verbal arts and martial arts) while redefining both in the process. Part 2 highlights the writers' formal innovations by presenting alternative autobiography, theory, metafiction, and translation. In doing so, Cheung puts in relief the literary experiments of the writers who interweave hybrid poetics with two-pronged geopolitical critiques. The writers examined provide a reflexive lens through which transpacific audiences are beckoned to view the other country and to look homeward without blinders.
