

# **Pearl Harbor Poem = Dec.7th 1941 & D-Day**

## **PEARL HARBOR**

**Sunday, December the seventh  
In the year of 1941,  
While most of Hawaii still slept  
Came the planes of the Rising Sun.**

**Waves of bombers and fighters flew  
From the decks of the Japanese ships.  
While our planes were still on the ground  
'Banzai' was spoken from their lips.**

**The winds of war had been blowing  
Across the oceans of our Earth  
Though not till Pearl had been bombed  
Did we realize what freedom's worth.**

**Wars are fought and won on two fronts  
At home and on the battle line.  
Both are equally important  
When war consumes our heart and mind.**

**The attack brought us World War II  
With death, pain and separation.  
All who had served were well aware  
Of their sacrifice for nation.**

## **D-DAY**

**D-Day raised the curtain on the conflict  
That fore shadowed the end of Hitler's dream.  
The largest joint combat landing ever  
Though the blood from both sides flowed like a stream.**

**When their boats hit the sand, their ramps went down  
And all within paid a visit to hell.  
They jumped out to do good for their country  
And to kill the enemy without fail.**

**They fought the Germans, tides, winds and the waves  
In conditions not easily foreseen.  
By night the battle was in our favor  
With bravery, valor, death, and men who scream.**

**The corpses littered the beach for five miles  
Though heroism had carried the day.**

Encyclopedia of American Literature of the Sea and Great Lakes Jill B. Gidmark, 2000-11-30 The sea and Great Lakes have inspired American authors from colonial times to the present to produce enduring literary works This reference is a comprehensive survey of American sea literature The scope of the encyclopedia ranges from the earliest printed matter produced in the colonies to contemporary experiments in published prose poetry and drama The book also acknowledges how literature gives rise to adaptations and resonances in music and film and includes coverage of nonliterary topics that have nonetheless shaped American literature of the sea and Great Lakes The alphabetical arrangement of the reference facilitates access to facts about major literary works characters authors themes vessels places and ideas that are central to American sea literature Each of the several hundred entries is written by an expert contributor and many provide bibliographical information While the encyclopedia includes entries for white male canonical writers such as Herman Melville and Jack London it also gives considerable attention to women at sea and to ethnically diverse authors works and themes The volume concludes with a chronology and a list of works for further reading
