Pebbles in the Pond Doug Hovda, Maureen Hovda, 2018-11-16 All pebbles are unique No two are alike Some are big and some are small Just as each of us we are unique As we walk through life the pond sends ripples out to the world when the pebbles are tossed into the water Some make beautiful ripples and others just drop into the pond May these stories encourage you and help you handle the pebbles in your life as you walk through this world with joy and anticipation knowing that God has a plan for you and will make a way for you if you will let him Pebbles in the Pond Chantal Thomson, Poetry Institute of Africa, 2003

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a brilliant and gripping novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
