Reimagining God and Resacralisation Alexa Blonner,2019-05-14 This book shows that widespread resacralisation has been taking place which is producing new ways of perceiving God and the divine The last century has seen unmistakable changes in religious practices and the concept of spirituality right across the world There was a broad expectation for much of the twentieth century that religious worldviews would eventually succumb to the challenge of secularist materialism but this process of secularisation has yet to occur as predicted The book begins by contrasting theories of secularisation and resacralisation Throughout the book conceptual threads or new religious themes related to this resacralisation are discussed in terms of three main categories reimagining God s nature substance and location reimagining human value and purpose and reimagining modes of redemption Finally the book considers how these threads are moving in various different directions and what the religious future might hold This is a bold examination of contemporary spirituality that will appeal to academics and scholars of religious studies new religious movements and the sociology of religion

A Coat of Many Colors Walter H. Conser Jr.,2006-09-04 While religious diversity is often considered a recent phenomenon in America the Cape Fear region of southeastern North Carolina has been a diverse community since the area was first settled Early on the region and the port city of Wilmington were more urban than the rest of the state and thus provided people with opportunities seldom found in other parts of North Carolina This area drew residents from many ethnic backgrounds and the men and women who settled there became an integral part of the region s culture Set against the backdrop of national and southern religious experience A Coat of Many Colors examines issues of religious diversity and regional identity in the Cape Fear area Author Walter H Conser Jr draws on a broad range of sources including congregational records sermon texts

liturgy newspaper accounts family memoirs and technological developments to explore the evolution of religious life in this area Beginning with the story of prehistoric Native Americans and continuing through an examination of life at the end of twentieth century Conser tracks the development of the various religions denominations and ethnic groups that call the Cape Fear region home From early Native American traditions to the establishment of the first churches cathedrals synagogues mosques and temples A Coat of Many Colors offers a comprehensive view of the religious and ethnic diversity that have characterized Cape Fear throughout its history Through the lens of regional history Conser explores how this area s rich religious and racial diversity can be seen as a microcosm for the South and he examines the ways in which religion can affect such diverse aspects of life as architecture and race relations

**The Best Books for Academic Libraries: Religion and philosophy** ,2002 **Doomsday Prophecies** James R. Lewis,2000

From the time of the earliest tribal religions high priests self proclaimed prophets and purveyors of doom have been predicting the end of time This encyclopedic survey of endtime predictions looks at the history of these prophets and the religious sects that forecast the exact dates that civilization would take its final bow Author James R Lewis eloquently remarks that all of these doomsday fear mongers have one thing in common they have all been wrong As the year 2000 ushers in a new millennium widespread interest in the end of the world judgment day and the return of a savior as predicted by many old and new groups has spread like wildfire across the planet Encompassing the truly bizarre the suicidal the homicidal and the almost believable Doomsday Prophecies touches on apocalyptic strains in each religion revealing that

endtime predictions reach all the way back to Old Testament writings They have thrived for centuries and today they find new life with New Age religions and televangelists Included are prophecies from the Hindu scriptures the Ghost Dance Iroquois tradition the Shawnee prophet the Turner Diaries Aum Shinrikyo the Branch Davidians the Children of God Rael Dorothy Martin Edgar Cayce Marshall Applewhite the Covenant the Sword and the Arm of the Lord and more Lewis includes everything from the longtime belief in a final battle between good and evil to the space age belief that heaven's gate can be reached through travel with alien beings Sometimes humorous often tragic this enduring book examines the questions raised by the mass appeal of prophetic movements as a theme in popular culture      **Encyclopedia of Modern American**

With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Peculiar Prophets A Biographical Dictionary Of New Religions versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it

an excellent resource for literature enthusiasts. Another popular platform for Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Peculiar Prophets A Biographical Dictionary Of New Religions books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
