Peer Pressure Making It Work For You:

Peer Pressure Chris Lutes,1990-01-01 *Making Sergeant* Gerald W. Garner,2021-02-24 Whether you are just pondering if you should go for the gold or are already radar locked on getting there this book MAKING SERGEANT is for you Written by a veteran police chief with over 50 years of law enforcement experience 15 of them spent as a sergeant it contains practical advice for 1 deciding on whether you are ready for the job and 2 getting it and succeeding at it if you are Short on theory and long on pragmatic advice the text also will help the already promoted supervisor successfully meet the challenges of this complex but vital position As most law enforcement agency CEOs will acknowledge first line supervisor or sergeant is often the single most important position in the police organization Without the best efforts of the highly competent man or woman wearing the stripes the organization is destined to flounder in relative ineffectiveness In the worst case scenario the agency may fail In other words the sergeant has got to get it right This book will help you decide if you want to be that sergeant If you do it will help you be him or her If at least at this stage of your career you decide that the answer is no that s fine too There is not a law enforcement agency anywhere that has enough talented first line officers Your goals may change later But if you choose to go for it the tips contained in this book will help you get there If you are already a supervisor MAKING SERGEANT will help you get better at what you are already doing **Making it Work** Victoria Houston,1991 From the bestselling author of *Loving a Younger Man* comes a breakthrough work for the woman blessed with career husband and children Making It Work introduces the reader to negotiating skills and hands on methods of turning theory into practice Balancing the needs and demands of work love and family requires flexibility an open mind and the courage to take a chance An inspiring and provocative book **A Guide to Learning Independently** Lorraine Marshall,Frances Rowland,2013-09-16 A Guide to Learning Independently 5e describes techniques to help students succeed in formal education It helps with learning tasks such as writing assignments reading textbooks making notes and concentrating when studying as well as offering a range of suggestions as to how students can meet the requirements of their teachers and courses It is also designed to help students discover their own learning goals and how they learn best The text rests on the premise that it is possible for a person to change the way they approach their learning It is directed to the individual student because it is the individual who must write the essays and reports pass the exams and organise themselves in order to be successful in the tertiary education system As well as offering realistic and well tested study strategies this Guide focuses on your reasons for study as you balance the demands of study with the rest of your life It will help you clarify your particular strengths as a learner and develop a repertoire of independent lifelong learning skills The comprehensive range of study techniques *The Paramedic Mindset* Leigh Anderson,2024-06-25 Why do some people flourish in high stress situations while others feel overwhelmed or discouraged How do some remain calm under pressure where others succumb to stress The difference is in mindset When you have the skills and knowledge to stay in control regulate your emotions and manage

your reactions even the most difficult circumstances become opportunities to excel thrive and grow But this quality also known as poise is not innate It comes from preparation and practice In this book experienced paramedic Leigh Anderson shares true life and death stories from his career explores the latest scientific research on mindset stress and resilience reveals his secrets for maintaining poise The result is an arsenal of clear effective and actionable tools that will boost your ability to perform under pressure The Paramedic Mindset is essential reading for anyone who wants to face the challenges of life head on PRAISE FOR THE PARAMEDIC MINDSET The Paramedic Mindset is a must read book Through the use of personal experiences both his own and a range of subject matter experts Leigh delivers an engaging evidence based and practical book on not only how to survive under pressure but how to flourish At a time of skyrocketing mental health issues in our first responder communities The Paramedic Mindset offers the tools to turn the tide Dr Dan Pronk co author of The Resilience Shield Special Forces veteran and Emergency Doctor Leigh Anderson has written The Definitive Book On this vital subject I know of no other book that will provide this degree of lifesaving information to this vital audience This book is required reading for all paramedics and should be used as a textbook for training all medical first responders Lt Col Dave Grossman USA ret author of On Combat On Killing On Spiritual Combat and Assassination Generation Leigh has set out to describe the often confronting and challenging role of being a front line emergency health care responder A combination of apprehension performance anxiety satisfaction and exhilaration He most ably transcends his unique experiences providing a bird s eye view of the job its challenges and how to cope I would highly recommend for anyone interested in how to deal with a high pressure environment Dr Stephen Rashford Specialist Emergency Physician and Queensland Ambulance Service Medical Director Leigh pulls the curtains back on one of life s biggest skills how to keep your mind when you should be losing your moorings The mindsets and capabilities needed to be a top performer in any field are critical and not widely known Leigh has bottled some of that magic in this hard scrabbled account Brilliant Mark Wales Special Forces veteran business CEO author of Survivor and winner of Australian Survivor TV show
