S. Tyler, 2004-01-01 **Prayer for Colleges** W. S. Tyler, 2015-07-08 Excerpt from *Prayer for Colleges A Premium Essay* The subject of this Essay divides itself into two parts prayer in general and prayer for colleges The first three chapters are devoted to the former the latter fills the

remaining chapters It may perhaps be thought that the discussion of the subject of prayer in general is too extended if not quite superfluous But in the opinion of the writer the weak point of the church in our day lies just here and it would be of little avail to present colleges or any other object of prayer in all its magnitude and importance unless Christians in general can be brought up to a higher appreciation of the efficacy of prayer and to a more vigorous appliance of it as the most potent of Heaven s appointed means for the salvation of men About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
