**Prayer in Pastoral Counseling** Edward P. Wimberly, 1990-01-01 Edward Wimberly utilizes case studies to illustrate how spiritual discernment can be used in pastoral counseling He shows the value of seeking to discern God's presence in the counseling process to bring healing and wholeness to those who suffer from broken relationships A discernment model of pastoral Christian counseling is provided for three groups of people individuals couples and families *Understanding Pastoral Counseling* Elizabeth A. Maynard, PhD, Jill L. Snodgrass, PhD, 2015-06-09 Print CourseSmart **The Heart of Pastoral Counseling** Richard L Dayringer, 2013-04-03 The relationship between pastor and parishioner is the essence of pastoral counseling a simple truth with profound implications Dr Richard Dayringer explores these implications in *The Heart of Pastoral Counseling Healing Through Relationship Revised Edition* to help pastoral counselors understand how to use the relationship to bring about the desired ends in the therapeutic process Drawing on research from the disciplines of psychiatry psychology marriage counseling family therapy and pastoral counseling this book lays the foundation for utilizing the pastoral counseling relationship to bring about positive change as it explores topics such as observation listening communication handling transference and termination of therapy Because the interpersonal relationship is the vehicle of therapy it is critical that pastoral counselors understand the psychological assumptions that play a large part in the characteristics of relationships as well as the factors requiring attention in order to establish a secure counseling relationship *The Heart of Pastoral Counseling* will help you attain this understanding as you also improve your knowledge on how pastoral relationships may be applied outside the therapeutic hour in general pastoral work eclectic methods for clarifying feelings developing intellectual insight interpreting questioning and assigning certain behavior employing the problem oriented record in pastoral counseling distinguishing relationship from transference and countertransference the unique problem that counseling acquaintances presents personality traits that attract people to the minister pastoral counselor counselor attitudes that foster relationship how a client's view of the counselor has an impact on the effectiveness of therapy *The Heart of Pastoral Counseling* brings a solid base of research to pastoral counselors seminary students graduate students in counseling professors of counseling and specialists in pastoral psychotherapy so that you might better understand the nature of pastoral counseling relationships and how they are helpful and constructive in people's lives You will be challenged to rethink your role in initiating and carrying out therapeutic change and realize why you should build your ministry on relationships rather than on friendships **An Introduction to Pastoral Counseling** Wayne Edward Oates, 1959 Counseling Wayne E Oates The budgeting of time in pastoral counseling John W Drakeford The exploratory of short term interview Wayne E Oates The exploratory or short term interview Wayne E Oates The process of multiple interview counseling Richard K Young Recurrent problems of longer term counseling Richard K Young The pastor as a marriage counselor Samuel Southard Calling in the help of other counselors A Donald Bell Ways to learn pastoral counseling John W

Daramola, 2016-07-05 This is the first time an author has listened to pastors in Africa This book presents a practical record of pastoral counseling in Africa It accounts for the wide difference between pastoral counseling in Africa and the West considering that the pastoral counselors in Africa received Western theological training It also presents a theological perspective of the pastoral counseling ministry in Africa and the West As concerns their counseling role if we may borrow an expression from the children of Israel in Egypt our pastors are being asked to make bricks without straw This is because they receive practically no training for this aspect of their work Evidently the grace of God is very much involved otherwise a lot of tragedy would be the normal result of what is sometimes the blind leading the blind Counseling in the context of the church was the field of research for Dr Ibidun Daramola Her scholarly study has resulted in valuable contribution to knowledge in the highest degree She has documented for us some things we suspected but did not know for sure some things we thought we knew but actually did not know and some things we did not even know we need to know Emmanuel Oladipo *Prayer in Counseling* Jeff C. VanZant, 2010-11-30 Prayer in Counseling The Practitioners Handbook is a bold apologetic for seeing greater use of prayer with the practice of counseling and psychotherapy in faith based community pastoral and mainstream counseling settings Using the evidence based results of the best research studies and client surveys on the efficacy of prayer the choice to integrate prayer with therapy is philosophically and empirically analyzed from every vantage Practical examples key filtering questions and tried and true guidelines help the reader find a balance between the two extremes of avoidance neglect of prayer as well as excessive unwise usage Gathering the best wisdom from the existing literature the author builds a strong case to view prayer and counseling as unique but complementary avenues for dynamic change in a persons life In light of potential counseling dilemmas and the need for healthy accountability Prayer in Counseling provides a roadmap to navigate the challenging ethical considerations of when and how to integrate prayer into therapy Scriptural hindrances to effective prayer are identified and then contrasted against biblical principles and practical direction to make prayer a powerful healing and successful spiritual intervention in the counseling arena
