Prayer and Praying Men (Authentic Original Classic) Edward Bounds, 2011-07-28 Praying People will always change the World In this wonderful classic book about prayer author Edward M Bounds clearly identifies those throughout the Bible who knew the importance of praying to God From Joshua and Jacob and Samuel and Samson to Daniel and David and Peter and Paul the significance that prayer made in the lives of biblical men is unquestionable Prayer is the difference between victory and defeat between communication with and isolation from God Hezekiah had hardly finished his prayer and Isaiah was just about to go home when God gave him another message for Hezekiah this time one more pleasant and encouraging the mighty force of prayer had affected God and had changed His edict and reversed Him in His purpose concerning Hezekiah what is that which prayer cannot do what is it which a praying man cannot accomplish through prayer Learn how you can be victorious through praying such as those men in the Bible who overcame great odds to fulfill their destinies in God

Bounds, 2015-06-05 Edward McKendree Bounds did not merely pray well that he might write well about prayer He prayed because the needs of the world were upon him He prayed for long years upon subjects which the easy going Christian rarely gives a thought and for objects which men of less thought and faith are always ready to call impossible From his solitary prayer vigils year by year there arose teaching equaled by few men in modern Christian history He wrote transcendently about prayer because he was himself transcendent in its practice As breathing is a physical reality to us so prayer was a reality for Bounds He took the command Pray without ceasing almost as literally as animate nature takes the law of the reflex nervous system which controls our breathing
