Matthew Henry

Prayer As Communion With God:

Communion with God John Owen, 2001-11 Communion with God or in full Of communion with God the Father Son and Holy Ghost each person distinctly in love grace and consolation or the saints fellowship with the Father Son and Holy Ghost unfolded is John Owen s finest devotional treatise This work expounds the most glorious truth that believers may have distinct communion with the three persons Father Son and Spirit and being addressed to the Christian reader is simpler than much of Owen s theology Unabridged Includes all footnotes Directions for daily communion with God, in 3 discourses, and The communicant's companion Matthew Henry, 1866 **Communion with God** Marshall P. Talling, 1902

Communion with God; or a Guide to the Devotional ... Second edition Robert Philip, 1831 Communion with God Mark Virkler, Patti Virkler, 1990-12 **The Still Hour, Or Communion with God** Austin Phelps, 1862 **Directions for daily communion with God. In three discourses, shewing how to begin, how to spend, and how to close every day with God ... The third edition** Matthew HENRY (Nonconformist Minister.), 1715 Communion with God: or, A guide to the devotional Robert Philip, 1834 Communion with God, Or A Guide to the Devotional Robert Philip, 1833 **The Secret of Communion with God** Matthew Henry, 1991-03-01 This handbook for godliness contains clear descriptions of the conditions for spiritual enrichment and power Christian Religion **The Hidden Life** Adolph Saphir, 1877 Adolph Saphir s classic meditation on chapter four verse eight of the Book of James is treasured for its poignant spiritual assessment of the New Testament Draw near to God and he will draw near to you is the message at the heart of The Hidden Life For the author these words summarize most perfectly the exactness of God s message through the New Testament With this as his basis Adolph Saphir proceeds to discuss how to live with the Holy Trinity in mind Yet his contemplations are rich in their variety he visits such topics as Eastern mysticism found in religions of India and Islam the discussions between God and Biblical figures such as Nicodemus and the message brought by Christ to humankind The meditations herein are supported by references to chapters of the New Testament together with a variety of quotations from spiritual authors of antiquity and early modern times Though his inquiry is winding with touches of eclecticism Saphir never loses sight of the objective growing closer to the spiritual essence of the Lord and Jesus Christ The Saphir family converted from Judaism to Christianity when Adolph was a child Intellectually apt Adolph gained a Master s degree from Glasgow University and went on to serve as a minister and missionary of some renown in the 19th century Glasgow University made him an honorary Doctor of Divinity in 1878

In three discourses ... The fifth edition** Matthew HENRY (Nonconformist Minister.), 1731 Wrestling Prayer Eric Ludy, Leslie Ludy, 2009-07-01 Eric and Leslie Ludy have a strong platform among 20 to 40 year olds because their lives show that Christian ideals when practically lived out become realities that make the lives of Christians the most satisfying and challenging on earth In Wrestling Prayer

readers who hunger for this pattern of living will see that a great prayer life is more than a nice sounding concept it s down to earth and attainable Eric and Leslie urge transformation from doubting God s power to expecting His supernatural intervention from distance from God to connection with Him from the sense of falling short to the strength of victory from bless this food prayers to world changing intercession from feeling defeated to setting people free Readers whose concept of prayer has fallen into disrepair will newly desire to pray and bring God s purposes to bear on earth Wrestling Prayer will light a soul fire that can burn bright and hot for years to come The Prayer We Offer Peter J. Vaghi,2012 Msgr Peter J Vaghi guides readers in an exploration of the practice of Christian prayer starting from the perspective that prayer is God s gift to his people Following the outline of the fourth section of the Catechism of the Catholic Church he explores the Old Testament roots of prayer Jesus as the Master Teacher of prayer and Jesus own prayer especially during Holy Thursday and Good Friday Vaghi guides readers into the riches of prayer and offers practical guidance for overcoming common obstacles to conversation with God Chapters are also devoted to the Rosary and the Our Father This now complete series provides accessible guidance on all four parts of the Catechism **The Still Hour; Or, Communion with God** Austin PHELPS (of the Andover Theological Seminary.),1860 Communion With God Marshall P. Talling,2017-12-02 Excerpt from Communion With God Extempore Prayer Its Principles Preparation and Practice That in free worshipping churches the weakest part of church service is generally public prayer That in many theological colleges the attention devoted to training men for the office of public prayer is inadequate That as a result the prayer life of the church is affected for the purpose of prayer and its power in solving life s problems are not well understood and though the church is rich in the volume Of its prayers it is not so rich in the quality of its praying That inasmuch as liturgical worship tends to formalism public prayer like preaching or pleading at the bar should be the free expres sion of a suitably disciplined advocate That present day tendencies con icting with prayer such as prevalent speculation criticism and freedom of thought on the one hand and a strong drift toward ritualism on the other make it increasingly necessary to keep right in our vital communion with God About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Secularism and the Pursuit of Transcendence, Volume I Stanley E. Porter,Wendy J. Porter,2025-02-20 We live in a secular age or so we have been told Nevertheless the Christian church strongly believes that we still experience and in fact are surrounded by acts of transcendence encounters with God that often defy imagination and explanation And yet we do try to explain such phenomena whether theologically experientially biblically historically philosophically literarily or even or

especially artistically These two volumes are more than just papers from a major conference on secularism and the pursuit of transcendence held at McMaster Divinity College in Hamilton Ontario They contain genuine attempts by people deeply engaged with their secular surroundings to explain what we mean by transcendence Transcendence has been a longstanding topic among the best thinkers of this and previous ages and the same is true for these volumes which include contributions by Charles Taylor Robert Wuthnow Merold Westphal and Christina Gschwandtner but also by a wide range of others who address the question from divergent vantage points The responses vary as much as the orientations of those involved in the pursuit of defining not only what it means to live in our secular age but to be involved in the pursuit of transcendence or even to perceive the Transcendent s pursuit of us
