circumstances and the search for justice test the mettle of the closest of friends and reveal the desperate measures of the strongest of foes *Clouds Without Rain* Paul L. Gaus,2001 In the wake of a fatal accident involving an Amish horse and buggy and an eighteen wheeler Professor Michael Branden working with the Holmes County Sheriff s Department becomes suspicious about the true nature of the crash His suspicions grow when the trustee of the dead man s estate disappears a few days later and Branden knows he has more on his hands than a buggy crash on a sleepy country road Faced with Amish teenagers robbing buggies on dusty lanes land swindles involving out of town developers several people dead and a bank official missing Branden struggles to understand the connections that will eventually link all of the pieces together *Clouds without Rain* is a well plotted story about the core of the human condition as illustrated by the thought and faith of the Amish and by their stewardship of the land they hold sacred Once again P L Gaus provides compelling intrigue along with an insight into a culture making its way side by side with contemporary American life **Herald of Truth** ,1902 **Separate from the World** Paul L. Gaus,2008 When an Amish man seeks help from Professor Michael Branden about the bizarre death of his brother the apparent suicide of a woman on campus deepens the mystery as he searches for the connection between the two people Whitaker's Books in Print ,1998 The Delineator R.
