*Liturgy and Worship* Thomas Richstatter, 1999-12      **Petrarch's Penitential Psalms and Prayers** Francesco Petrarca, 2024-05-15 The first English translation of Petrarch's Psalms and Prayers provides an intimate look at the personal devotions of the Father of Humanism Throughout Petrarch's work there is an undercurrent of tension between the secular and the sacred In this captivating new translation of the Psalms and the Prayers Demetrio Yocum turns to a previously overlooked area of Petrarchan studies to open a window on the scholar's innermost religious thoughts Petrarch's Psalms and Prayers are intricately crafted poetic and devotional works presented in facing Latin English format In his extensive introduction and commentary Yocum situates these bold original compositions within their historical literary and religious contexts deftly drawing connections to classical texts the Bible and the writings of the church fathers and Petrarch's own life work and poetics This remarkable first ever English translation of the Psalms and Prayers helps to reconcile Petrarch's classical humanism with his devout deeply personal Christianity

*Teach Us to Pray* Katharine Mahon, 2019-04-01 The study of liturgical reform is usually undertaken through a close examination of liturgical texts In order to consider the impact of reform on the worship life of Christians Katharine Mahon takes a wider view of liturgy by considering the worship practices of Christian churches beyond what appears in the rites themselves Looking at how Christians were taught how to pray and instructed in liturgical and sacramental participation Mahon explores the late medieval patterns of Christian ritual formation and the transformation of these patterns in the sixteenth century reforms of Martin Luther Thomas Cranmer and Roman Catholic leaders She uses the Lord's Prayer the backbone of medieval lay catechesis liturgical participation and private prayer to paint a panorama of medieval ritual formation integrated into the life of the church in the fourteenth and fifteenth centuries She then follows the disintegration and reconstruction of that system of formation through the changing functions of the Lord's Prayer in the official reforms of catechesis liturgy and prayer in the sixteenth century
