Prayers for All Occasions Roy Pearson,1990 For Pastors and Lay Leaders Pastors will find no dull time worn platitudes in these prayers they re vibrant challenging filled with an exciting feeling of expectation **Welcoming Resistance** William Chris Hobgood,2002-02-01 Resistance can be a sign of vital high quality and faithful life in a congregation and a learning opportunity for congregational leaders who recognize the value of hearing from those who resist ministry initiatives inviting their input and listening to their response Hobgood proposes a continuum of interventions that can be made by pastors and lay leaders He also observes that the degree of resistance will intensify as the degree of change deepens but suggests that when we try to squelch resistance we threaten the congregation s very existence Congregational leaders will appreciate Hobgood s positive and pastoral approach to the resistance they encounter in their own faith communities and his concrete and practical suggestions for building more constructive relationships From Proclamation to Practice Clifford A. Jones,1993 merican congregations this resource combines a collection of sermons by many of the best known black preachers in the pulpit today with a how to section providing the essential elements for putting their insights into practice
