Slave Mende Nazer, Damien Lewis, 2010-12-02 Mende Nazer's happy childhood was cruelly cut short at the age of twelve when the Mujahidin rode into her village in the remote Nuba mountains of Sudan They hacked down terrified villagers raped the women and abducted the children Mende was then She was taken and sold to an Arab woman in Khartoum She was stripped of her name and her freedom For seven long years she was kept as a domestic slave an abid without any pay or a single day off Her food was the leftover scraps and her bed was the floor of the locked up garden shed She endured this harsh and lonely existence without knowing whether her family was alive or dead for seven long years Passed on by her master like a parcel to a relative in London Mende eventually managed to escape to freedom *Slave* is a shocking first person insight into the modern day slave trade It is also a fascinating memoir of an African childhood and a moving testimony to a young girl's indomitable spirit in the face of adversity
