Patrick Meanor, Richard Edward Lee, 2007 Focuses on how writers have established successful literary reputations without having appeared in mass circulation magazines Highlights the role of university presses in the success of many contemporary writers the generally uncommitted and indifferent attitudes of most of the mass circulation publishing houses and the importance of prizes that various organizations award annually and the influential anthologies in which these prizewinning stories appear **Science Fiction & Fantasy Book Review Annual** , 1990 *Best New Horror* , 1991 *Carrion Comfort* Dan Simmons, 2009-11-24 Embraced by giants such as Stephen King and Dean R Koontz Dan Simmons s Carrion Comfort was originally published by Warner Books in 1989 and remains a classic of dark fantasy and horror One of the three greatest horror novels of the 20th century Simple as that Stephen King THE PAST Caught behind the lines of Hitler s Final Solution Saul Laski is one of the multitudes destined to die in the notorious Chelmno extermination camp Until he rises to meet his fate and finds himself face to face with an evil far older and far greater than the Nazi s themselves THE PRESENT Compelled by the encounter to survive at all costs so begins a journey that for Saul will span decades and cross continents plunging into the darkest corners of 20th century history to reveal a secret society of beings who may often exist behind the world s most horrible and violent events Killing from a distance and by darkly manipulative proxy they are people with the psychic ability to use humans read their minds subjugate them to their wills experience through their senses feed off their emotions force them to acts of unspeakable aggression Each year three of the most powerful of this hidden order meet to discuss their ongoing campaign of induced bloodshed and deliberate destruction But this reunion something will go terribly wrong Saul s quest is about to reach its elusive object drawing hunter and hunted alike into a struggle that will plumb the depths of mankind s attraction to violence and determine the future of the world itself Epic in scale and scope but intimately disturbing Carrion Comfort spans the ages to rewrite history and tug at the very fabric of reality A nightmarish chronicle of predator and prey that will shatter
