Praying Prodigals Home Quin Sherrer, Ruthanne B. Garlock, 2000-10-04 The enemy has used the temptations of this world to lure so many of our young people away from the values and teaching of their Christian upbringing Best selling authors Quin Sherrer and Ruthanne Garlock have both endured the pain of waiting for the return of prodigal children Yet even as they gave each situation into the hands of the Lord they did not wait passively succumbing to fear and despair Instead they battled for their children in prayer waiting expectantly for Almighty God to intervene And He did Now they tell the parents of prodigals how to pray their prodigals home and how the experience can draw parents into the arms of their heavenly Father and strengthen their bonds of love

Getting your Kids Through Church Without Them Ending Up Hati Rob Parsons, 2011-04-01 How to raise kids with a healthy view of Christians the church themselves and God It is every Christian parent's fear what if my child falls away because of something I did or said or was Rob Parsons is extremely reassuring His pragmatic candid approach provides both parenting advice and guidance for parents about their own spiritual development Rob identifies five traits which can quench faith in your child busyness cynicism hypocrisy judgementalism and over familiarity your children never know when they should take off their shoes He teaches that disappointment is an inevitable part of growing up There will come a time when they are disappointed with Christians the Church themselves and even God We should teach our children how to love God even when things fall apart Do not hide your children from the world instead help them to discriminate Above all provide them with a vision of what they can be and can achieve Peter became a fisher of men
