Lassiter, 2005 Illustrated by Eddie Walker It is my prayer that each reader will find the principles mechanics and examples of my teaching prayers the preached words and the prayer examples to be instructive and helpful as we all seek to find peace with God through prayer In this relatively short treatise the reader is reminded that prayer must become as natural as breathing It is such prayer that men defeat spiritual forces arrayed against them that no human means can overcome The reader is reminded that prayer is one of the most vital subjects in the Scripture and it receives extensive mention in both Old and New Testaments Prayer expresses a rightful understanding of the one true God and who He is Prayer also expresses our special relationship to Him and our total dependence upon Him Scripture teaches so extensively on the subject of prayer that one could spend lifetime examining its many revelations Therefore any study of prayer is apt to be incomplete because the subject is so vast That being said this written offering is far from complete it is designed to function in the same manner as one of my earliest books in school a little primer for the average Christian Praying The Name of Jesus John Campbell, 2025-09-02 Take your stand in prayer with confidence boldness and authority Prayer is not a last resort for the weak it is the God given weapon of those who know they belong to Christ In The Spiritual Authority of Covenant Prayer John Campbell shows how every believer can pray with power not in their own strength but in the covenant faithfulness of God Through clear teaching and practical examples this book explores The power of the Name of Jesus the Blood of the Lamb and

the Word of God in the battle of faith How covenant transforms prayer from wishful thinking into confident declaration Why David and the early Church prayed with such boldness and how we can do the same today The role of the Holy Spirit in shaping our prayers both in moments of crisis and in times of stillness How to use every weapon of spiritual warfare as a covenant gift not just a technique Each chapter ends with a prayer that encapsulates its message helping you not only to learn but to practice Readers are encouraged to pause pray and let the truths sink deeply into heart and habit This is not a book to be read once and left on the shelf It is a guide to be lived with prayed through and returned to a companion for the battles of everyday life If you long to step into deeper confidence in prayer to see breakthrough in your home your church and your world this book will show you how to pray as a covenant child of God clothed in Christ and filled with His Spirit The battle is real But so is the covenant And in Christ the victory is yours You Can Pray with Power Lloyd John Ogilvie, 1988 From back cover How do you talk with God Since the beginning of time men and women have agonized over this question In You Can Pray with Power Dr Lloyd Ogilvie summarizes God s own answer to this age old dilemma Developed after years of studying the Scriptures and the lives of great prayer warriors You Can Pray with Power tackles some of the toughest questions faced by anyone who has ever sought after the real meaning and potential of prayer **Parents** George Sawyer, 2015-08-04 Never has a generation been as assaulted and abused both inside and out of the womb as today s youth We must recognize and respond to this satanic assault with an even greater intensity and devotion We must pray for this chosen generation The Daniel Prayer for Parents draws from the biblical account of Daniel and his fellow captives as they not only survived but also thrived in an environment that could not have been more antagonistic Daniel's secrets to success will teach parents how to pray for their children as they walk through the challenging developmental years of life Parents will learn key principles to pray effectively for their children to have GOOD HEALTH EDUCATIONAL EXCELLENCE A RESOLVE TO SERVE GOD DIVINE FAVOR SUPERNATURAL PROMOTION INFLUENCE Our children and grandchildren were not born to become the latest casualties in Satan's assault but rather the newest conquerors **Praying** with Authority Kazumba, 2025-04-03 The Homiletic Review ,1888 **Praying in Your Divine Authority** Kenneth Scott, 2016-01-15 As born again believers God has given us divine authority and power through prayer to decree and declare His Word But many of God's people are ignorant to the power and authority they have available to them As a result many Christians live defeated lives when they could be walking in victory In Hosea 4 6 God said my people are destroyed because of a lack of knowledge It's because of this lack of knowledge and understanding of our authority in Christ that Satan is able to deceive and defeat many Christians It's like a soldier of war having a powerful destructive weapon that he doesn't know how to use Although the soldier has the potential of destroying his enemy with this weapon and winning the battle because he doesn't know how to use it his enemy can prevail against him instead The purpose of this book is to serve as a type of training manual to instruct the believer in understanding their authority and how to properly access and use it in spiritual

warfare against Satan Jesus victoriously triumphed over demonic principalities and powers and He has given us the power and authority to do the same As you read this book and begin to apply these principals to your life your life will never be the same again Get ready to flow and operate on another level of power and authority in Christ like you ve never known before as you learn how to Pray in your Divine Authority
