[15 Days of Prayer With Dorothy Day](#) Michael Boover, 2013-12-25 Dorothy Day connected radical faith with doing radical deeds Beginning from her discovery of God in the Word when she was eight years old Michael Boover shares Dorothy's reflections about her pilgrimage to the daily discipline of readiness and openness to God in her life especially to God in her neighbor He shares her words on why and how she prays on her preference for frequent confession on her intentional choice of suffering and poverty and on her desire to imitate the saints and to make sanctity the norm of everyone's life In these 15 days we see how Dorothy's discipline gave her true freedom In particular it allowed her to give priority to Love to take the most direct route to God by loving her neighbor She recognized the paucity of

her own best spiritual efforts and took refuge in the fact that God would do for believers what they could not fully do for themselves Boover s practical exercises emulate Day s own temperament They push you to live with more integrity and deeper love and they show a deep compassion for the difficulty of the challenge *I, Frederic....* C M Ronald
