Galia Ofek

Pre Raphaelite Body:

The Pre-Raphaelite Body J. B. Bullen, 1998 Pre Raphaelitism was the first avant garde movement in Britain It shocked its first audience and as it modulated into Aestheticism it continued to disturb the British public In this fresh and original study Professor Bullen traces the sources of that shock to the representation of the human body By examining the discourses which were developed to denounce or to explain the new art forms he shows that the distorted maimed or eroticized body formed the principal focus of anxiety in nineteenth century criticism Using a truly interdisciplinary method he relates the painting of Millais and other early Pre Raphaelites to fears about cholera and Catholicism he demonstrates how the body of the sexualized female became an object of obsessive fascination in the painting and poetry of Dante Gabriel Rossetti and William Morris he locates the writing of Swinburne and Prater in the context of the debate over the Woman Question and he shows how the responses to the Aesthetic painting of Burne Jones were conditioned by the sexual psychopathology of mid nineteenth century mental science

Representations of Hair in Victorian Literature and Culture Galia Ofek, 2009 Examining a wide range of historical artistic literary and theoretical works Galia Ofek shows how changing patterns of power relations between women and patriarchy are rendered anew when viewed through the lens of Victorian hair codes and imagery during the second half of the nineteenth century Her innovative study reveals the Victorians well developed awareness of fetishism and their cognizance of hair s symbolic resonance and commercial value

The Journal of Pre-Raphaelite Studies, 2005 *Thomas Carlyle and the Idea of Influence* Megan Dent, Paul E. Kerry, Albert D. Pionke, 2018-06-20 That Thomas Carlyle was influential in his own lifetime and continues to be so over 130 years after his death is a proposition with which few will disagree His role as his generation s foremost interpreter of German thought his distinctive rhetorical style his approach to history via the innumerable biographies of great men and his almost unparalleled record of correspondence with contemporaries both great and small makes him a necessary figure of study in multiple fields *Thomas Carlyle and the Idea of Influence* positions Carlyle as an ideal representative figure through which to study that complex interplay between past and present most commonly referred to as influence Approached from a theoretically ecumenical perspective by the volume s introduction and eighteen essays influence is itself refigured through a number of complementary metaphorical frames influence as organic inheritance influence as aesthetic infection influence as palimpsest influence as mythology influence as network and more Individual essays connect Carlyle with the persons and publications of Mathilde Blind Orestes Brownson John Bunyan G K Chesterton Benjamin Disraeli George Eliot T S Eliot Ralph Waldo Emerson Johann Wolfgang von Goethe James Joyce William Keenan Windham Lewis Jules Michelet John Stuart Mill Robert Owen Spencer Stanhope John Sterling and others Considered as a whole *Thomas Carlyle and the Idea of Influence* assembles a web of conceptual and intertextual connections that both challenges received understandings of influence itself and establishes a standard by which to measure future assertions of Carlyle s enduring intellectual legacy in the twenty first

century and beyond *Journal of Pre-Raphaelite Studies*, 2005 Literature and Image in the Long Nineteenth Century Amina Alyal, 2023-09-12 This book explores some of the ways in which word and image worked together in the nineteenth century in terms of pictures poetry and fiction The authors keep in mind how word and image negotiate and compete for each other's spaces They seek to interrogate how image arises from absences in texts and how image gives rise to narrative or voice Topics include ekphrasis illustration literary representations of artists the visual in writing the staging of images and the textualization of theatrical tableaux and related cultural and ideological tropes This is covered in three main areas ideological and philosophical resonances of image and text in fiction the peculiar fusion of text and image that was the bread and butter of the Pre Raphaelites and book illustration especially the tensions between writer and artist as authors of the text The volume will be of interest to students and scholars in the field of Victorian literary and art history studies Figuren der Übertragung Michael Gamper, Karl Wagner, 2009 Wissensvertragung in der Zeit zwischen 1830 und 1870 also der Epoche nach der Konjunktur romantischer Wissenspoetiken und vor dem Aufkommen und der Verbreitung der Neuen Medien und den innovativen wissenschaftlichen und technischen Errungenschaften des ausgehenden 19. Jahrhunderts ist Thema des vorliegenden Bandes Die methodisch-theoretische Schrfung des Konzepts von Wissen und das Interesse an den Verfahren und Regeln der Wissensvertragung werden in der intensiven Auseinandersetzung mit Stifter und dessen Werk profiliert Die analysierten Texte Stifters und einiger seiner Zeitgenossen beschftigen sich mit verschiedenen Praktiken der Vertragung und halten zudem eigene und spezifische Theorien der Wissensvertragung bereit die auch heute noch weitergehende Reflexionen provozieren Stifter hat Einbildungskraft scharfen Verstand und wissenschaftliche Ausbildung insbesondere in Philosophie Geschichte und Naturwissenschaft als Zulassungskriterien fr den ffentlich Wirkenden gefordert es sind dies Qualitten die nicht nur fr die zahlreichen Knstler und Wissenschaftlerfiguren in seinen Texten bestimmend sind **The Shelleys and the Brownings** Rieko Suzuki, 2022-01-13 This book is about the intertextual relationships between the works of the Shelleys and the Brownings While a lot of research has been done on the relationship between Percy Bysshe Shelley and Robert Browning virtually nothing has been said about the links between Mary Shelley and Robert Browning and very little on the connections between the Shelleys and Elizabeth Barrett Browning Rieko Suzuki seeks to address this blind spot by focusing on three areas in particular firstly the way that Browning's later poems reflect back on and re-engage with Shelley's work secondly Mary Shelley's influence on Browning's early poems and thirdly Shelley's presence in and influence on Elizabeth Barrett Browning's writing In mapping out the various ways in which texts relate to other texts the book also identifies a number of important thematic threads that run throughout the work of all four writers These include theories of history and historical consciousness providing a further dimension to the question of influence They also include ideas about exile gender liberal politics and cultural heritage central to almost all the texts discussed here as the Shelleys and the Brownings in different ways and in varying contexts tried to negotiate the possibility of a more tolerant and resilient social

political and cultural environment Romanticism, Medicine and the Natural Supernatural Gavin Budge, 2012-10-17 This fascinating interdisciplinary study examines the relationship between literary interest in visionary kinds of experience and medical ideas about hallucination and the nerves in the first half of the nineteenth century focusing on canonical Romantic authors the work of women writers influenced by Romanticism and visual culture **Semi-Detached** John Plotz, 2024-02-27 A critical look at the aesthetic encounter with semi detachment through literature and art When you are half lost in a work of art what happens to the half left behind Semi Detached delves into this state of being what it means to be within and without our social and physical milieu at once interacting and drifting away and how it affects our ideas about aesthetics The allure of many modern aesthetic experiences this book argues is that artworks trigger and provide ways to make sense of this oscillating in between place John Plotz focuses on Victorian and early modernist writers and artists who understood their work as tapping into amplifying or giving shape to a suspended duality of experience The book begins with the decline of the romantic tale the rise of realism and John Stuart Mill's ideas about social interaction and subjective perception Plotz examines Pre Raphaelite paintings that take semi detached states of attention as their subject and novels that treat provincial subjects as simultaneously peripheral and central He discusses how realist writers such as Charles Dickens George Eliot and Henry James show how consciousness can be in more than one place at a time how the work of William Morris demonstrates the shifting forms of semi detachment in print and visual media and how Willa Cather created a form of modernism that connected aesthetic dreaming and reality Plotz concludes with a look at early cinema and the works of Buster Keaton who found remarkable ways to portray semi detachment on screen In a time of cyberdependency and virtual worlds when it seems that attention to everyday reality is stretching thin Semi Detached takes a historical and critical look at the halfway thereness that audiences have long comprehended and embraced in their aesthetic encounters **Pre-Raphaelites & Their World** Rachel Barnes, 1998-03 The Pre Raphaelite Brotherhood was founded in 1848 when a group of young artists joined together in an attempt to revitalise contemporary art Barnes discusses the lives and work of the friends and arch rivals including Rossetti Millais and Morris **The Eclectic Magazine of Foreign Literature, Science, and Art**, 1898
