Pre Raphaelites:

Pre-Raphaelites Re-viewed Marcia R. Pointon, 1989 The Pre Raphaelite Brotherhood formed in 1848 by the young Millais Holman Hunt and Rossetti has long been recognised as a high point in Victorian artistic production But whilst we know much of the private lives of Pre Raphaelite artists and writers and their best known paintings are very familiar their work and particularly their visual imagery has attracted limited attention from art historians and critical theorists This collection redresses the situation with a series of detailed critical and historical studies of individual issues and productions artistic and literary relative to Pre Raphaelitism Using rigorous new critical analysis the book throws new light on the ways in which the Pre Raphaelites addressed philosophical religious political and social questions It will be essential reading for all students of Victorian art literature and ideas Back cover
