Preaching For Today:

What's the Matter with Preaching Today? Mike Graves, 2004-01-01 Seventy five years ago renowned preacher Harry Emerson Fosdick asked in Harper's Magazine what's the matter with preaching Fosdick's question is even more relevant today as both pastors and laity acknowledge the need for improvement in Sunday morning's sermons And who better for pastors and students to learn from than those who already do it well The contributors to this book are some of the best and most thoughtful preachers in the church and classroom today In their essays they assess the state of preaching today identify a variety of issues that challenge effective preaching and offer helpful suggestions for what can be done to improve preaching In the process they help to define what effective preaching is *Preaching for Today* Clyde E. Fant, 1975

What's Right with Preaching Today? Mike Graves, André Resner, 2021-03-09 In 1928 when Riverside Church NYC pastor Harry Emerson Fosdick asked the question in Harper's Magazine What's the Matter with Preaching Today he did not know that one response to that question had just entered the world in Humboldt Tennessee Fred B Craddock revolutionized preaching theory and practice by flipping pulpit logic from deductive to inductive often called the preaching as storytelling revolution and in so doing brought renewed interest and impact to the practice of preaching effectively rescuing it from an often tedious and moralizing fate With Fred preaching was anything but boring Rather it was an exciting and enlightening ride that led to the renewal of faith To honor Craddock's legacy Mike Graves and Andre Resner invited ten leading voices in homiletics to identify something that is right about preaching today In addition they issued a call to a wide variety of people to contribute stories about Fred's impact on their lives and ministries Twenty seven remembrances of Fred are included here throughout the book If you appreciate effective and engaging preaching as either a preacher or listener the essays and remembrances here will speak to you and provide encouragement about preaching's present and future With contributions from Ronald J Allen Barbara K Lundblad Alyce McKenzie Debra J Mumford Luke Powery Andre Resner Richard Ward Dawn Ottoni Wilhelm Paul Scott Wilson

Biblical Preaching for Today's World Lloyd Perry, 1990-03-08 Biblical preaching has not outgrown its usefulness The methods may vary but the message remains the same God's challenge and call to the preacher still come through loud and clear Preach the Word Lloyd M Perry's Biblical Preaching for Today's World has been helping pastors and speakers preach the Word since 1973 Although the principles Perry originally established are timeless the needs and concerns of audiences are always changing To help pastors preach more effectively to today's congregations Perry has updated his original manuscript He offers pastors help in understanding and adjusting to the effects television has had on an audience's listening skills Historical references throughout each chapter will also help preachers learn from yesterday's teachers and styles Biblical Preaching for Today's World continues to offer sound time tested principles for preaching regardless of the preacher's style Filled with helpful suggestions annotated outlines and solid documentation it is invaluable reading for all who aspire to preach the Word
