D. W. Ford

Preaching On The Historical Jesus:

Preaching on the Historical Jesus D. W. Ford, 1993 A book of sermons geared to ordinary Church congregations The author believes that the historical Jesus cannot be left out of the pastoral and evangelistic ministry as he is the focal point for non Church goers attention leading to the possibility of the Christ of Faith

A Future for the Historical Jesus Leander E. Keck, 1971 The author affirms that the historical Jesus is central to the Christian faith He clarifies what is meant by the historical Jesus and discusses the place of the historical Jesus in Christian faith Three basic questions are explored How shall we present the historical Jesus in the sermon so men can trust him What are the results of trusting Jesus the relation of trust to salvation What is the significance of the historical Jesus for understanding God

Christocentric Preaching Meets the Historical Jesus Devon Duffield, 2024-12-30 The Christocentric homiletic is considered one of the leading contemporary approaches within the evangelical hermeneutic and homiletic society This is due to the convincing theological justification practical guidance and demonstrative examples of Christocentric sermons from three North American scholars Sidney Greidanus Edmund Clowney and Bryan Chapell Its popularity however has not made this approach immune to criticism Opponents of the Christocentric approach often criticize the preaching model for operating on a general interpretive level having repetitive sermon goals and delivering sermons that lack adequate application among other things The suggested antidote to these issues in current scholarship is for the Christocentric homiletic to become less Christocentric and more Theocentric This book enters the current homiletical debate on Christocentric preaching by placing the homiletical method in conversation with the field of Christology In doing so it points out that the Christocentric homiletic is embedded in a Christology from above contributing to its strengths and weaknesses This book suggests that if the Christocentric method takes the Christologies from below of N T Wright and Wolfhart Pannenberg seriously it can address specific weaknesses and find resources to enhance some of its strengths without negating its central conviction of preaching Christ in every sermon It defends the unique proposal that the Christocentric method can address its criticisms by becoming more Christocentric and not more Theocentric

I Believe in the Historical Jesus I. Howard Marshall, 2004 Few would deny that a person named Jesus lived and died during the first century of this era Yet opinions differ widely as to the reliability of the New Testament record of his life In I Believe in the Historical Jesus Marshall surveys the quest for the historical Jesus from the 19th century to the present examines the methods used to extract historical information from the gospels and investigates the role faith plays in a study of the life of Jesus The gospel accounts of Jesus are reliable historically not merely literary productions impossible to penetrate from an historical perspective and Marshall s work is a ringing affirmation of belief in the historical Jesus This edition includes a new epilogue and updated bibliography I Howard Marshall is Emeritus Professor of New Testament Exegesis and Honorary Research Professor at the University of Aberdeen Scotland where he supervises postgraduate students in their theological studies Professor Marshall s area of research has been Luke Acts the Pastoral

Epistles and the theology of New Testament writers **The Historical Jesus** Craig A. Evans, 2004 Including a range of materials dating from the nineteenth century to the present this comprehensive collection brings together the essential research into the historical reality of Jesus the man his teachings and the acts and events ascribed to him that comprise the foundational story of one of the world's central religions The set features a substantial new introduction by the editor in the first volume and a full index in the last and provides work covering all of the key aspects of the field including the recent discussions concerning anti-Semitism in early Christianity and the political and ideological filtering of the Jesus story through the Roman empire and beyond Christian Theology Alister E. G. Dunn, Scot McKnight, 2005-06-30 The past two or three decades have witnessed significant activity in research on the Jesus of the Gospels and history In fact there has been such a plethora of publication on such a wide variety of facets of this issue that it is difficult to keep pace with the rate of publication In this volume Dunn and McKnight have collected and provided introductions to a wide cross section of essays on the topic ranging from classic essays by the likes of Bultmann Cadbury and Schweitzer to the most recent investigations of Horsley Levine and Wright This volume will be a very useful book for courses and seminars on Jesus or the historical Jesus because it draws together in one place a wide variety of perspectives and approaches to the issues Authors represented include P S Alexander D C Allison P W Barnett M J Borg R Bultmann H J Cadbury P M Casey G B Caird B Chilton C E B Cranfield J D G Dunn R A Horsley J Jeremias M K hler W G K mmel E E Lemcio A J Levine G Luedemann J P Meier B F Meyer R Morgan J A T Robinson E P Sanders A Schweitzer K R Snodgrass G N Stanton P Stuhlmacher G Theissen N T Wright **The Historical Jesus** Charles Piepenbring, 2024-12-01 In his book The Historical Jesus first published in 1924 Dr Piepenbring devotes seven chapters to presenting the life and teaching of Jesus of Nazareth elaborating more particularly the points which he considers to have been inadequately treated in Professor Loisy's Commentary on the Synoptic Gospels He concludes with a careful examination of the parallels drawn

between the tenets of the Galilean teacher and the doctrines inculcated by Lao tse and Epictetus respectively and shows wherein the Christian standards excel both the other ideals The author s earlier Biblical studies are well known and this volume forms a valuable addition to the Christology of that time Between Heaven and Hell Dean R. Eyerly,2010-02 There is no greater controversial person in the world than Jesus the Christ For over two thousand years speculation has been lurking in the background about religious control of belief by the church and church dogma in general Where many people stop in Sunday school author Dean Eyerly moves beyond in his historical research about this man named Jesus and his historical search for his true beliefs and teaching Along the way historical writings were discovered that provided more detail surrounding his life death and resurrection Having been inspired to study after being presented with conflicting historical information Eyerly began to study outside of traditional data surrounding Jesus in 2003 in order to find a firmer grasp on what history says about Jesus To no surprise The answers he found were not always in line with what the Bible says and Eyerly argues that what we are commonly taught in church isn t the full story There are several documents and writings discovered that go against modern constructs and tradition as we Christians know of the faith today Dean has studied through the many documents that go against modern constructs and tradition and shows readers what they say about Jesus his followers and possibly why these documents were rejected and pushed into the dark See how these stark differences in belief are considered so dangerous by the church and not by Jesus Between Heaven and Hell is a compilation of research shaped into a timeline that begins before the birth of Christ and moves into the Common Era Dean draws from many non canonical references and Gnostic literature in presenting a broader perspective on the many differing thoughts and views concerning the person of Jesus Is there good evidence that Jesus was who we think he was Was he really born of a virgin Who really wrote the Bible These questions must start from somewhere Discover what you might in this thought provoking presentation of un safe information that lies Between Heaven and Hell Dean Eyerly conducts biblical research as a hobby and enjoys sharing with others what he finds Eyerly firmly believes As do all of mankind that Jesus is extra ordinary And The Being that all earthly people should emulate Eyerly currently resides in Holland Ohio *The Quest of the Historical Jesus* Albert Schweitzer,2000 At last it is possible to read Schweitzer s full account in English Restored to its full stature The Quest of the Historical Jesus remains as important for the 21st century as it was for the 20th The Historical Jesus Gary R. Habermas,1996 Rev ed of Ancient evidence for the life of Jesus Includes bibliographical references and index **Jesus, Mark and Q** Michael Labahn,Andreas Schmidt-Rhaesa,2001-03-06 The first part of this collection is devoted to one of the key questions of the Synoptic Problem the literary and christological relationship between Mark and Q The second part deals with the Third Quest for the historical Jesus concentrating on his teaching and its cultural context These interrelated themes each attract detailed analysis of their methodology as well as their impact on New Testament studies generally providing a very useful introduction to the state of research in these important fields Jesus in the Tide of Time John

Ferguson, 2021-11-30 First published in 1990 *Jesus in the Tide of Time* considers the historical Jesus and studies the ways in which he has subsequently been regarded by different people in different cultures The book examines the political social economic and religious background to Jesus life It also looks at what is known about Jesus as a historical personality and considers the use of symbolic figures by the early Christians to represent him It highlights the attitude towards the person of Jesus as an indicator of the culture of the particular period and place throughout history and questions whether different cultures periods and individuals manufacture Jesus in their own image *Jesus in the Tide of Time* will appeal to those with an interest in the history of Christianity religious history and social history The Quest of the Historical Jesus Albert Schweitzer, 1910 The So-called Historical Jesus and the Historic, Biblical Christ Martin Kähler, 1964 Originally published in 1892 this essay is a seminal work in which many of the characteristic emphases of the modern theological discussion were stated for the first time back cover *Jesus in Context* Bruce David Chilton, 1997 The Proclamation of Jesus seeks to place Jesus in the context of first century Palestinian Judaism The essence of his preaching the kingdom of God and the place of purity in his teaching and activities are given careful consideration **The Historical Jesus** Gerd Theissen, Annette Merz, 1998 The best available textbook on the historical Jesus *In the Days of Jesus* Anthony J. Tambasco, 2006-05-05 What was it like in the time of Jesus What was Jesus really like Did he really perform those miracles In this book the author seeks to answer these questions and many others about the Jesus of history The author centers on two main concerns how much Jesus was a part of his Jewish culture and how much he moved beyond this culture to new and unique insights Tambasco explores the very human face of Jesus This book will be a useful tool to undergraduates seeking an overview of the Jesus of history and his claims To those in adult education the book presents a useful summary of the foundational Christian story and its teaching To those outside of Christianity or to the non committed the work will satisfy curiosity over why Jesus has attracted such a following To all its readers the book tries to answer the basic questions Who was Jesus of Nazareth What would it have been like to meet him in history What makes him so special *EVIDENCE FOR THE HISTORICAL JESUS* Gary R. Habermas, 2020-11-28 The search for the historical Jesus is a hot topic in both popular and academic circles today and has drawn a lot of attention from national magazines such as Time Newsweek and U S News World Report Further the media has given an undue amount of attention to the Jesus Seminar s outlandish statements a self selected liberal group representing a tiny percentage of New Testament scholarship Dr Gary Habermas will address the questions surrounding the debate over the historical Jesus and show a significant number of historical facts about Jesus in secular and non New Testament sources that prove that the Jesus of history is the same Jesus of the Christian faith The author of *EVIDENCE FOR THE HISTORICAL JESUS* is Dr Gary Habermas author of the book *The Historical Jesus* and about twenty other volumes He received his Ph D from Michigan State University Dr Habermas is chairman of the Department of Philosophy at Liberty University He has written more than 100 articles mostly on the life of Jesus which have appeared in scholarly journals and elsewhere Herein
