How to Preach the Miracles John E. Sumwalt, 2007 With contemporary stories and insight into ancient texts John Sumwalt invites readers into the mystery of God's active palpable presence in the world When we decide to live in God's presence we are in position to see hear believe and experience the miraculous in our daily lives Bishop Rueben P Job Author of *Living Fully Dying Well* Former editor *The Upper Room* Since modern culture explains the world through scientific rationalism there are many people in our pews who are skeptical about miracles No matter how credible the source our society tends to view those who speak of miracles as purveyors of superstition and magical thinking That presents a significant problem when discussing the resurrection and the other miracles recorded in scripture so what can the preacher do John Sumwalt says the answer is to begin like Jesus did by telling stories of the mysterious saving presence of God This is the realm in which Jesus did his miracle work a dimension of reality that is readily accessible to all who are hungry for it Tell the miracle stories from the Bible along with those that are happening in our own time In this fascinating volume Sumwalt brings a storyteller's perspective to nine miracle passages in Cycle A of the Revised Common Lectionary His rich biblical commentary is filled with numerous illustrations and tellable sermon stories including over 30 contemporary accounts of miracles In this beautifully written book John Sumwalt shows you how to preach the miracle stories in ways that reach modern congregations Full of warm and engaging stories it reaches straight for the heart This is a wonderful book that will connect you and your congregation to the scriptures in fresh ways It's certain to warm the heart of anyone who reads it I look forward to using it over and over again as a source for my sermons Deacon Eddie Ensley Author of *Prayer That Relieves Stress and Worry* John E Sumwalt is the lead pastor of Wauwatosa Avenue United Methodist Church in suburban Milwaukee A noted storyteller and seminar leader he is the author of nine christian books including the acclaimed *Visions* series CSS John and his wife Jo Perry Sumwalt served for three years as co editors of the online service StoryShare www.sermonsuite.com [Preaching the New Testament](#) Ian Paul, David Wenham, 2013-02-01 Editors Ian Paul and David Wenham present this collection of scholarly reflections on preaching from the New Testament With an impressive cast of senior and younger scholars the book covers all the main texts and genres of the New Testament adding key chapters on the infancy narratives parables miracles archaeology hermeneutics and more [Preaching the Miracles of Jesus](#) Hillyer Hawthorne

Ordinary Words, Extraordinary Deeds John W. Wurster, 2003 The stories of Jesus miracles can be challenging to modern sensibilities conditioned as we are to believe that there must be a logical explanation for water being turned into wine or nets suddenly overflowing with fish But John Wurster suggests that for contemporary preachers and their listeners the most important question raised by these remarkable accounts is not How did they happen but rather What do they mean Ordinary Words Extraordinary Deeds helps answer that question by exploring the theological significance of the nine miracle stories appearing in Cycle C of the Revised Common Lectionary Each chapter includes the biblical text along with interpretive reflections that set the passage in its literary context and connect it to major themes of the gospel writer There s also a section investigating a variety of preaching possibilities and offering brief thoughts about what these texts tell us about the sacraments since like the miracles the sacraments make grace evident in ways we can touch and feel Specifically geared for the busy pastor with limited time this is an excellent volume packed with valuable idea starters and rich material for sermon development But it s also stimulating reading for anyone who wants greater insight into these marvelous stories of God s power at work Chapter titles include The Star Matthew 2 1 12 Wedding At Cana John 2 1 11 Jesus Transfigured Luke 9 28 36 The Lepers Luke 17 11 19 and five more John W Wurster is a graduate of Trinity University in San Antonio Texas B A summa cum laude Princeton Theological Seminary M Div and Austin Presbyterian Theological Seminary D Min
